

Some shorthand used in the subsequent text:

JC = Jesus Christ in a fleshly DNA body, JCg = Jesus Christ in a heavenly body based upon something I do not know!
 HS = Holy Spirit (Spirit of/to/the Holy) TC = True Christian. CA = Copyist's Addition
 {...} = one Greek word .../... = several English renderings of the same Greek word
 (see Glossary on all of these terms – where they are carefully explained) og = Original Greek

Note: This translation is commutative - meaning that it is so precisely accurate as to enable a perfect translation back to the original Greek including nuances. That is something that cannot be said of modern day translations that are mere interpretations and thus loose the original 2nd level meaning lying just beneath the more accessible high level (which these interpretations then distort) thus I was forced to create a **Prime Reference Standard** for analytical study that I now present, together with exegesis to shake The World from its present misdirection!

This precise amplified translation is structured thus:

Exact Translation is the “Text in this font”

(Text in this font are the words buried within the original Greek words – plus the more obvious eg God)

(= Text in this font are helpful additions – prefixed with an =)

The English translation/interpretation is the “= Text in this font and colour”

The commentary explaining the verse is the “Text in this font and colour”

Thus I have constructed an analytical translation together with the understanding behind the original Word of God. It will cause much ‘heart searching’ and ‘consternation’ within The World as it draws out precisely what Yahweh is teaching us – there is no escape – are you prepared to imbue this ‘new wine – or do you prefer the old?’ Luke.5v39.

Be prepared to be winnowed: ‘are you with JC gathering or against JC dispersing?’ Matt.12v30.

also the recognition/discernment/realisation of the Truth according to the {piety of the gospel}/godliness/holiness.

There is a lot in that opening verse, most of which is ignored/{glossed over} by a causal read.

*Thus I desire to go through the contents very carefully to explain the several important sections within it – because it adds credence to what I state elsewhere – being **The Core** of The Real Gospel message that is never taught correctly by those worldly (and worse, charlatan) Christian leaders claiming to know (but evidently do not know)!*

1. Paul is The Slave of God (Yahweh).

Note: Paul does not state ‘a slave of JC’! (See the second item – and thus destroys Trinity myth with the additional exegesis given later in this section and elsewhere).

Thus Paul declares himself a slave of Yahweh. Thus as I state elsewhere Paul looks to Yahweh now as The Adopting Father and thus “ho theos” referenced upon Paul pointing directly to Yahweh as being ‘The Specific God’ of Paul rather than to JCg who (as ‘the specific god’ of “Saul”/{to be renamed “Paul” after his conversion to 1st Century Christianity} of The World) originally knocked on the door to Paul (Rev.3v20) as he did on the road to Damascus (Acts.9/22/26v1-12). This is very important differentiation which is all lost in our most inept English translations of the bible – fortunately it (and much other information) is retained in The NT Translation available on this website “FutureLife.Org” (the information of which is not available anywhere else for the non-scholar not versed in Ancient Greek).

Being “the slave” means Paul feels duty-bound to precisely fulfil (all very important words) his Master’s (Yahweh’s) Desire – being that he precisely imitates JC’s ministry/lifestyle to correctly and accurately preach/teach “The Word of God” (of “JC”, Rev.19v13) as “1st Century Christianity” to The World.

Which is:-

- I. *To carefully explain the thousands of allegories and prophecies in The Old Testament that teach of JC and The Millennium which became fulfilled by JC’s 1st Advent and shall soon be fulfilled at his forthcoming 2nd Advent (and into The Millennium).*
- II. *To teach The Present Old World now (which is to be soon dissolved) about The New World system that is to operate in The Millennium.*
- III. *For those who imbue this knowledge as The Kingdom of God inside them (to become TCs) by imitating JC’s ministry/lifestyle then they make this become The Reality as The Leaders of The New World Order through their appointment as the 144000 future Sons of God.*

2. Paul is The “Apostle” of JC (being “appointed to tell” of JC).

Thus just as we are told here, Paul is “appointed (by Yahweh and not by ‘leaders of Religion’) to tell” of JC, being The Exemplar of which we are to precisely imitate (1Cor.4v16, 11v1, Gal.4v12, Phil.3v17, etc) for The Same Goal as JC desired while in a human fleshly body. JC desired to be a son of God (being to return back to his original status - but now premier status) so that he might lead The Way through The Torn Veil (see my commentaries at Luke.23v45, etc) for the following First-Fruits = the 144000 TCs to be elected/chosen out of The Gospel Age (of some 2000 years). Because there is this differentiation between the Two Entities – written in the present tense, assigned differently (and consistently through all references in The Epistles) then we can only conclude They are different reasoning Entities to consciously respond to the different roles and responsibilities!

3. According to The (Real) Faith = (Accurate) Knowledge + Assurance + Fidelity of the selected/elected/chosen favourites.

So what does this mean?

Is it what we are taught by our worldly Christian leaders?

Absolutely not! Because it does not even appear on their radar screens – as we witness through their utter silence on the subject in their sermons!

*But this is **The Core** Gospel teaching so that Yahweh might move to the next stage of His Plan.*

Thus we understand that it is The Real Faith of accurate knowledge giving the correct foundation upon which to build assurance and to have The Motivation/Drive/Zel to operate with fidelity to what we know. It is a string of requirements and any failure along that line cannot yield real faith – being The Faith to fulfil Yahweh's Desire to precisely imitate JC's ministry/lifestyle.

Quite simply this is absolutely true – irrespective of what any worldly Christian leader might state to the contrary (Titus.3v10-11).

So let me explain precisely what this means.

Yahweh desires a society whose members imitate JC's methodology to edify our neighbour to fulfil Yahweh's Desire (at the time - because Yahweh's Desire to be fulfilled depends upon which epoch we exist within – see 'I' and 'II' below).

Only 144000 TCs fulfil Yahweh's Desire (during The Gospel Age) which is to practice both of the following:-

- I. Imitate JC's lifestyle (a requirement for all time, now and in The Millennium, and beyond into the eternity - for all humans).
- II. Imitate JC's (accurate) ministry now (during The Gospel Age) which is to (1) teach of The Millennium being how Yahweh carries out The Main Harvest of The Resurrected World and (2) to urge other humans during The Gospel Age to fulfil parts 'I' and 'II' described here. Only the 144000 humans perfectly fulfil this part 'II' when compared to The Golden Standard as laid down by JC – as judged by Yahweh in The Special/Greater (1st) Judgement.

As I stated earlier – none of this is taught (but garbled 'mysteries') – however this must be taught if we are to fulfil Yahweh's Desire – because it is precisely what JC and The Apostles taught as 1st century Christianity as buried in The Four Gospels and within the epistles (where it was taught more openly by word of mouth and the notes for remembrance written down in the epistles).

Because The Real Faith built upon accurate knowledge gives assurance when mentally assayed, from which fidelity is exercised to what is known yields humans that can be Yahweh's Favourites (again never taught by our worldly Christian leaders) and thus "elected/chosen" out of The Christian Nation during The Gospel Age of the 2000 years (or so) to become The Leaders of The New World Order as Yahweh's future Sons of God. JC teaches us where The Last/Least (= persecuted TCs) become The First/Most (= Sons of God) in The Millennium to instruct The Resurrected World Righteousness (Matt.19v30, 20v16, Mark.10v31, Luke.12v30, etc).

4. The elected/chosen are of God (Yahweh).

Well naturally they are! - Because they fulfilled His Desire and they were/are elected/chosen by Him Personally (Matt.20v23) in The Special/Greater (1st) Judgement that only occurs upon "Christians" of The Gospel Age (who are supposed to be precisely imitating JC's ministry/lifestyle)!

They are not "of JC", but as we read elsewhere the TCs are "with JC" because they become sons of God to administer The World alongside JCg under The Methodology of Yahweh imitated by JCg. Hopefully I have cleared up the areas that our worldly Christian theologians seem intent to entangle within their very limited 'understanding' of what Yahweh is instructing of us!

5. The knowledge/recognition/discernment of The Truth of {the piety of the gospel}/godliness/holiness.

What does this mean?

Perhaps taking the words in turn may help.

"Knowledge/recognition/discernment" means "having the information and also the mental capacity to understand what is known".

"The Truth" means in science "testable reality", but in philosophy it is more difficult, often relying upon certain axioms that might be different for different references/populations and thereby making "Truth" relative. However in this instance it is easy!

The TCs are able to co-align their reasoning to be precisely the same as that of JC being The Word of God – as deemed by Yahweh in His Special/Greater (1st) Judgement for His future sons of God. Noting that "Truth" as defined by leaders of "Religion" is so very far from The Word of God that what they state is at best 'half truths' – but it would be much safer to accept what they state as being lies!

"The Piety" means "The quality of being religious or reverent". What does this mean in practice for us humans? Quite simply it means "operating according to what one believes". And we now enter a minefield! People "believe" in many things, but often people do not operate with fidelity to what they "believe" for all legion of reasons! But TCs operate with absolute fidelity to what they accurately know! For this reason they operate in "Real Belief" to their "Real Faith" built for many years upon accurate Knowledge that has been tested/proved within the mind to generate assurance – and they are personally motivated to operate with the utmost fidelity to what they know – thereby gaining "The Wisdom of God".

"Gospel" means "Good News". But what is The Good News as taught by worldly Christian leaders? 'Merely' that JC died for us and we can have everlasting life because we are a Christian! There are at least three fundamental errors in that one statement – of which I carefully explain throughout this website "FutureLife". The TCs precisely know of The Good News and have personally solved "The Mystery of God" as deemed by Yahweh – being righteously judged against what He specifically and uniquely expects of them during their specific era of The Gospel Age - again as I have thoroughly explained on this website – and have need not to repeat it here.

"Godliness and Holiness" is precisely "Piety of the Gospel" as explained above. Noting that "Godliness and Holiness" is how Yahweh defines and then judges upon it - these words absolutely do not mean 'how certain members of mankind choose to define these words'!

We are now able to comprehend what this phrase collectively means:

It was/is only the TCs (all 144000 throughout The Gospel Age) who know/recognise/discern how to behave in the 1st part of their physical life to fulfil Yahweh's Desire of them (as individuals – 5 and 2 talent stewards) to precisely imitate JC's ministry/lifestyle to the very best they were able. It was by doing this during the 1st part of their 2 part life (see "2 part life" in glossary) that they were able to know/recognise/discern {The piety of The Gospel}/holiness (by operating in a manner of spirit/personality/desires/traits that is "separate from this world of sin" = "holy" = HS) which becomes The Real Gospel understood as given by 1st Century Christianity – being The Methodology of The New World Order (which is to be operating within our minds now) precisely as JC taught us at Luke.17v21 (provided we are internally driven to precisely imitate JC). – Thus we become the correctly motivated leaders of The New World Order to establish this new methodology within The Millennium.

At which point we have come full circle in the explanation!

Thus as The Reader can understand (but as never taught) it is a personal matter and not mindlessly belonging to some specific worldly Christian schism (of the some 37000 schisms 2005 CE, and some 42000 schisms at 2014 CE available to completely smother out Yahweh's Word accurately taught) – because, quite simply: We do not need a priest/father/vicar or any self-proclaiming '(worldly) holy' man as a permanent 'stand-in for us' – but rather these leaders should be exhorting us to personally replace them – if they were truly imitating JC's ministry!

And because they are not doing that – then they cannot be imitating JC's ministry and thus fail the primary test to become a TC!

This logical reasoning explains precisely why Yahweh must wait so long (some 2000 years) before He can achieve His prophesied 144000 TCs out of the some 3 Billion people of the Christian Nation (over 2000 years) – being precisely what JC taught us at Matt.20v16, 22v14, etc.!

Titus 1v2 og over/upon/concerning (to the) anticipation/expectancy/confidence (of the) life/existence

Titus 1v2 og (of the) perpetual/eternal/everlasting, whom/which/that

Titus 1v2 og (of the) {unspecified spaces of time}/opportunities/delays/whiles/times

Titus 1v2 og (of the) perpetual/eternal/everlasting,

Titus 1v2 = concerning the anticipation/expectancy/confidence of the everlasting/perpetual life/existence which 'the {cannot lie} specific god' personally pledged/promised before of the eternal/everlasting {periods of time},

A good question:-

What does this mean?

To answer it correctly then it must be read in context of the verses either side.

Paul is **only** speaking of the 144000 TCs.

Why?

Because that is “The Goal” given by JC’s ministry/lifestyle (of “1st Century Christianity” to roll forward Yahweh’s Plan for Human Salvation) which must be fulfilled before Yahweh can move to the next stage of His Plan – which quite naturally Paul tells us!

Why?

The Gospels and Epistles constantly set The Highest possible standard (see JC’s Parables being the selection of persons who claim to represent Yahweh – they are absolutely **not** speaking of non-Christians, who themselves, do **not** feature in The Gospels except as The Vineyard, etc., out of which to draw The Christian Nation to then elect/select the “144000 TCs” – because they are automatically caught in The Safety Net of The Millennium). The highest possible standard is set for those persons who know of The Golden Standard (= to be Christians) so that Yahweh might make His selection, and there is no comeback upon Yahweh inasmuch the claim: “We did not know – hence we could not achieve Your required Standard!” Even though as we read there is “The Gnashing of Teeth” (Matt.8v12, 13v24, 22v13, 24v51, 25v30, Luke.13v28) as the dawn of realisation occurs that Sonship has been missed forever – when earlier, (in the 1st part of our physical life) this possibility was ‘in the palm of our hand’ as worldly Christian leaders – but it was ‘cast away as trash’ in our lifestyle!

So, as we understand, this verse is speaking specifically about the 144000 TCs who have the “anticipation/expectancy/confidence” of everlasting life because they **are** prepared to imitate JC’s ministry/lifestyle. This is **not** mere “hope” that I keep hearing in worldly Christian circles – and thus: ‘So it shall remain so for them’, to become for them a resurrection into a perfected DNA fleshly body, and **not** into a heavenly/spiritual/celestial body based upon the work put in earlier (1Cor.15v35-55).

“The Specific God” here is referenced upon TCs and thus points to Yahweh (Who cannot lie) making The Promise to His Son JCg prior to the creation of humans – being ‘the mechanism of salvation through The Millennium’ which had already been discussed and agreed with JCg that he would be required to stand-in for his personal creation as The Lamb in sacrifice.

Thus JCg was aware prior to himself creating humans that he would be required to ‘pay the price’ for their future failure.

But that was the price that JCg was prepared to go through, so that he might have a perfected creation ultimately assayed righteous and moreover having equality alongside him as the 144000 TCs as sons of God being The Solution to “The Mystery of God” contained in The Bible (as I explain elsewhere – see also glossary):-

“How can members of The Creation become like their Creator?”

Where The Solution is quite simply:-

To precisely imitate The Creator!

And the Third Party Assessor (= “Yahweh” = “I make become who/what I choose to become”) makes The Above just so, at our awakening/rousing!

Titus 1v3 og (he) {rendered apparent}/{made visible/manifest}/declared and (to the) times/seasons/occasions

Titus 1v3 og (to the) {pertaining to the self}/{one’s own} the word/sayings/topics/reasoning (of the) him (= Yahweh)

Titus 1v3 og in (to the) {herald (of divine truth)}/{preacher (of The Gospel)}

Titus 1v3 og who/which/that (I was) committed/believe/entrusted (emphatic) I/me

Titus 1v3 og down/accordingly/intensely/against (to) (the) injunction/decreed/authority/command

Titus 1v3 og of the deliverer/saviour {of/from us} (of the) God.

Titus 1v3 = and He (= Yahweh through JC as The Word of God) {rendered apparent}/{made manifest}

the word/sayings/reasoning of the Him (Yahweh)

(where this line collectively = JC, Rev.19v13)

within {its own} time/season/occasion a herald/preacher (of The Real Gospel = 1st Century Christianity),

which emphatic I (Paul) was committed/entrusted according to the injunction/decreed/authority/command of the God (Yahweh).

Again we must ask:-

So what does this verse mean?

The Context is about Yahweh making plain His Word.

We know that JC was The Word of God (Rev.19v13) which made plain/clear how we humans of The Gospel Age were/are to fulfil Yahweh’s Desire (being ideally, to become a future son of God so that Yahweh might move to the next stage of His Plan for Human Salvation).

“In its own time” - What does this mean?

It means that The Knowledge on how to fulfil Yahweh’s Desire is made “apparent/manifest” as appropriate for the occasion (in due season the HS operating within and around certain individuals will make known as appropriate for The Time) – so that Yahweh’s Desire is made manifest in a constant ‘drip-feed’ fashion to keep the TCs searching throughout The Gospel Age – to find (Matt.7v7, Luke.11v9) being The Treasure in JC’s parables (see “Heavenly Treasure” in glossary).

Thus initially it was JC’s ministry that laid The Foundation as “The Herald” – being The Information “made manifest/apparent” in physical form – for us (aiming to become TCs) to then personally emulate.

By the TCs precisely emulating JC’s ministry/lifestyle, then they equally “made manifest/apparent” the words/sayings/reasonings to then make wider The Audience (of The Christian Nation to The Knowledge) progressively throughout The Gospel Age until this is made known throughout The World (Matt.24v14) so that The Millennium might commence (when Yahweh has His required number throughout Time and Spread to become The Trigger Threshold to bring forth JC’s 2nd Advent: 1Thes.4v13-18, Matt.24v40-44, 1Cor.15v50-55, Rev.11v11-13, 20v6, etc - to start The Millennium).

Sadly worldly Christianity presently does **not** accurately represent The Word of God which is precisely **why** we are still waiting for The Gospel to be taught around all The World (Matt.24v14) – hence the reason for this website to make this become a reality so that The Millennium might commence. Thus the TCs become “appointed to tell” (= “apostles”) by Yahweh (and **not** appointed by The World to tell), and thus through their demonstrable commitment/entrusting (through persecution/affliction) operate according to the injunction/decreed/authority/command of Yahweh = The Adopting Father. Noting that the process of “Adoption” is Two-Way: – The Children must be accepted by The Adopting Parents – however much ‘the children’ themselves might think ‘they are adopted’ – we must carefully reason upon that profound Truth!

Clearly because TCs have been accepted by Yahweh to become future sons of God, then quite obviously they have been saved by thus having guaranteed everlasting life as future sons of God in a non-corruptible body (= a body **not** based upon fleshly DNA and thus incapable of dying – hence references at Rev.2v11, 20v6).

This cannot be said of all other humans, because they shall be resurrected within corruptible bodies (= the same bodies as originally had Adam/Eve, being perfected DNA bodies) which can ultimately suffer The 2nd Death of Annihilation **if** their minds (= the 2nd part of their spiritual life – see “2 part life” in glossary) refuse to take on a righteous lifestyle by copying JC’s lifestyle by really “believing in JC” (that is real belief – to imitate what we know)!

Basically that is “The Real Gospel” of “1st Century Christianity” **never** taught by: ‘You know who’ – because our worldly Christian leaders just demonstrably do **not** believe what Yahweh has told us in His Word as contained in The Bible!

They rather trundle off and read what their ‘peers and sages’ tell them! – Precisely **the opposite** to what Paul advises us to do!

But do they know The Bible well enough to be aware of these locations within The New Testament?

Titus 1v4 og (To the) Titus (to the) {legitimate (of birth)}/{genuine/own/sincerity/true (to the) child/daughter/son

Titus 1v4 og down/accordingly/intensely/against (to) (the) {commonly shared}/{profane/defiled/unclean/unholy

Titus 1v4 og (the) faith/{knowledge/assurance/fidelity}, (the) grace/{gifts/favour}/{gratitude/benefit,

Titus 1v4 og (the) compassionate/{show mercy}, (the) peace/prosperity/rest
 Titus 1v4 og off/away/separated/from (of the) God (of the) Father,
 Titus 1v4 og also (of the) lord/master (of the) Jesus (of the) Christ/Anointed/Messiah of the deliverer/saviour
 Titus 1v4 og {of/from us}.

Titus 1v4 = To Titus the {legitimate (of [spiritual]) birth}}/genuine (spiritual) child according to the {commonly shared} (of TCs) faith/{knowledge/assurance/fidelity}, (= 1st Century Christianity)
 the gifts/favour/benefit,
 the compassion/mercy,
 the peace/prosperity/rest
 off/from of the God of the Father (= Yahweh),
 also of the lord/master of the Jesus of the Christ/Anointed our saviour.

Titus (like Timothy at 1Tim. 1v2) is called a “child” to mean a “New Christian” – but rapidly accelerating/climbing to become a TC in his own right – hence Paul’s use of the Greek word “gnesios” (Strong’sTM = 1103) to mean that Titus is part of The Adoption process to become a (possible) future son of God (Yahweh) because he has shown his personal **grasp** for The Knowledge and the inclination to act upon it with fidelity. So with that commendation Paul then goes on to ask for gifts/favour/benefits, compassion/mercy and peace/prosperity/rest from Yahweh our (= TCs’) Father and also (Yahweh the Father) of our Lord JC.

Gifts/favours/benefit from God are to **service our ministry work** and certainly **not** our self-indulgences!

Provided what we ask is to further the accurate publicising of The Word of God within our community (opening doors, offering recovery from sickness, etc.) then Yahweh will answer and provide the necessary support within The Local Environment to make this occur.

As I explain elsewhere Yahweh **only** operates like this (irrespective of what our worldly Christian leaders might state to the contrary) because:-

1. It shows that by imitating JC’s ministry/lifestyle we are developing a synapse construction that is desirous to assist other people come to know and understand what Yahweh Desires (in {charity love}/agape with no strings attached).
2. Our synapse construction becomes outward looking rather than introverted to fulfil our self-indulgences (thus not becoming spoilt)!
3. Satan cannot use the accusation that we “TCs” are only good because Yahweh helps us (as he used against Job at Job.1v9-11).
4. Yahweh will **not** operate in The World unless it is specifically about publicising His Word because the demarcation line then becomes ill-defined, and it could always be said that The World’s problems are caused by Yahweh, and Satan becomes absolved!

Thus for these specific reasons Yahweh will **only** operate specifically with TCs and those persons aiming to become TCs who are genuinely imitating JC’s ministry/lifestyle – because they are demonstrably already there – but being persecuted for it by The Religious Authorities of The World for their trouble! Thus their work must be genuine – else what is The Driver operating within their mind!

Again the above is true irrespective of what worldly Christian leaders/theologians/scholars might state to the contrary – because as the reader is now starting to realise they have absolutely no idea what The Real Gospel of 1st Century Christianity really means both at a macro and micro level as their sermons and dissertations clearly show (I have 100s of them for public view – I only had time to provide written critique on a few)!

This is **not** to personally criticise, but merely ‘someone shouting to the emperor’ (being worldly Christian Doctrine) – “you have no clothes!”

Now with the righteous knowledge given, then the leaders should start being sensible and imbue the knowledge contained upon this website and start teaching it to The World so that they might have an opportunity to become marked as being worthy of sonship!

After that impassioned rant to draw out new converts from ‘The Establishment’ (for it is my duty to do so), – then please let me continue:

Paul asks for compassion and mercy to be metered upon Titus to help him through two areas:-

1. Personal misdemeanours that might occur – and asking Yahweh to consider them as being minor side-slips – unintentional in nature.
2. Oppression from outside which could cause a novice to flounder – because Satan will come in hard like he did with JC in The Wilderness. Matt.4v1-2

I have discussed in other epistles what “peace/prosperity/rest” means and thus just lifted-out what I wrote in Eph.2v14.

I need to explain “peace/prosperity/rest” because this appears to run against the “trials/tribulations/afflictions” that we are told will befall TCs from those persons of The World who feel threatened by the TC’s righteous lifestyle – that imitates JC’s lifestyle.

Basically it has to do with The Mind rather than the body.

The accurate Knowledge (being The Word of God of which JC was/is) releases ourselves from the stresses of the present day and of the future demise of human civilization (global warming, rising sea levels, lack of food and clean/pure resources, all forms of pollution, selfish grabbing of the last remaining resources, ‘tribalisation’ of whatever within nations, etc), because we know that Yahweh will step in “before all flesh is destroyed” (Mark.13v20) and save ‘the situation’ by replacing this present worldly system with Yahweh’s leaders for The Millennium.

Also ‘good moral behaviour’ means all the social problems spawned from general immorality are removed which delivers “rest” from the pressures accruing from social misbehaviour.

“Prosperity” does not mean ‘material prosperity’ as stated by charlatan Christian leaders, but rather “heavenly treasure” being the synapse construction mapping of The Mind (that precisely defines us as individuals) becoming more Christ-like, thus being worthy to be placed within a heavenly/spiritual/celestial body upon resurrection as a future son of God.

JCg makes TCs become at one with him because of The Knowledge given as The Word of God, and is accepted by receptive humans who carefully reason upon The Knowledge to realise that it is the **only** way forward for mankind as a whole. Thus they imitate JC’s ministry/lifestyle and so become at the one/same in spirit/personality/desires/traits and in this manner JC has broken down the barrier between us TCs (formally as heathen/foreigners/strangers) but now welcomed by Yahweh to become His future adopted sons (by metaphorically becoming “sons of Abraham”).

And further, these TCs as the future Bride of Christ become as one at their marriage to their husband (JCg) at the 1st 2nd C of JCg being as one metaphoric flesh (Gen.2v24, 1Cor.6v16).

As explained earlier we have taken on JC’s spirit/personality/desires/traits because we have taken on his knowledge (as The Word of God) and acted upon it rather than ignoring it, thus Yahweh now judges us upon what we desire to do rather than the errors of what we might actually do – thus we are not judged upon The Law of Moses, but rather on what JC did for us (by fulfilling The Law) – because we are trying to imitate him by what we do for others (= to edify our neighbour to our own hurt).

Again as I consistently state at these places - we have Paul acknowledging Two Entities in the present tense (some 20+ years after JC, as JCg, has returned to The Heavens to be with Yahweh), Both having “Reasoning Capability” in which to recognise his supplication and thus respond.

There is **no** reference to HS anywhere here, and logically **if** the HS was any sort of ‘Reasoning Entity’ to recognise this supplication, **then** surely Paul would give due mention here. The lack of the HS being mentioned in this verse teaches us that it is not worthy for Paul to mention inasmuch being a reasoning entity to recognise any such request – which logically infers precisely what this website teaches throughout: –

“The HS is Yahweh’s Desire which is pure/blameless/{separate from this world of sin} made manifest within The Environment using whatever He chooses to make become who/what He chooses to become!”

All this is precisely as we are taught in The Bible – I strongly encourage The World’s most ardent Trinitarian scholars to contact this website to ‘defend’ “the indefensible” and I shall use The Bible quoted through their reasoning, line by line, to demonstrate the error of their ‘exegesis’ – I just need a source of some worldly material with which to work! Please note terms and conditions. However I would much rather they ‘wake-up’ from their spiritual slumbers, thereby come to their senses and start imbuing The New Wine - being what The Bible teaches; as correctly explained on this website – and for them to then teach The World themselves – I cannot do it all myself (Mark.6v34)!

A comment on “JC being the saviour”.

1. Is there a contradiction between what is stated here and what I state elsewhere that Yahweh is spoken as “Saviour” relative to TCs who have been assigned guaranteed everlasting life resurrected as future sons of God in heavenly/spiritual/celestial bodies?
2. Perhaps this adds support to the Trinity myth (being to muddle the two Entities together as One Saviour)?

Absolutely **not** in both instances!

JCg was ‘the means/mechanism’ for our salvation and thus able to justify Yahweh using His HS to save the members of JCg’s creation for all those who are considered worthy – either now (1) as TCs (in the 1st part of their physical life) to become resurrected as Kings/priests; or later (2) for worldly people having a 2nd opportunity (and last opportunity) to then learn righteousness in The Millennium, and then to personally demonstrate “their worthiness” (by precisely imitating JC’s lifestyle) at The End of this education period of The Millennium, during the final 3.5 year trial (that mirrors JC’s righteous ministry on earth).

This is true righteousness as The Successful Individuals transverse into ‘The Infinity of Yahweh’s Granary’.

However Yahweh in choosing His “Favourites” being The Certainities of the First/Early Harvest to yield 100% loved “peculiar/special people” (Titus.2v14, 1Pet.2v9) being “The Remnant returning back to The Lord” out of The 2nd Epoch Israel (= The Christian Nation). Thus these “peculiar/special people” have guaranteed salvation because they are 100% selected by Yahweh, The One Who is able to read the “synapse construction mapping” (= “heavenly treasure” – see glossary) (1Sam.16v7, Matt.6v19-20, Luke.12v33) thus absolutely knowing these 144000 are “deemed entirely worthy” of sonship.

Titus 1v5 og {from/concerning this}/{such manner of}/thereabouts
Titus 1v5 og {(through) favour of}/{on account of}/{for sake/cause of}
Titus 1v5 og (I) {left down/behind}/abandoned/reserved/{had remaining} thee/thy/thou/you in (the) Crete,

also you should appoint/commission/constitute elders (of the ecclesia)
according to/(in) the city as emphatic I (Paul) prescribed/commanded {to (singularly) you}.

Thus Paul effectively states:

Because I have this confidence in you Titus as being a legitimate child of The Real Faith (of 1st Century Christianity as precisely taught by JC), then I trust your competence in setting up the new Ecclesia structure within the city of Crete.

Thus quite a responsibility for Titus to do this correctly and shows Paul’s complete trust in the young Titus!

Paul in the next verses gives some pointers to help Titus in selecting suitable candidates for elders of this Ecclesia in Crete.

Very similar questions might be asked today:-

Can the same qualities (given by Paul below) be found in our worldly and worse, charlatan Christian leaders?

If not, then does this nullify them from this position?

The worldly person of the congregation would say: No! But The Bible says: Yes!

Because The Bible does say: Yes – then we realise that they are (in Yahweh’s judgement) to be nullified from these positions of responsibility! (Luke.16v1-8, 20v16. Matt.21v19-20, please see my local commentaries)

And by extension, because The Bible is The Word of God, then equally Yahweh will reject these persons as being Ecclesia leaders – even though The World and those of the congregations welcome deviants with open arms!

What a sad reflection “of The (End) Times”!

Note: I use singular “city”, however scholars would argue it is the intensity of against the singular “city” implies plural cities – I choose to disagree!

Titus 1v6 og if {some/any person} (he/she) is (the) unaccused/irreproachable/blameless/{without charge},

husband of the one wife,

That little listing rules out many who self-claim to be suitable Christian leaders (supported by their peers) – loved by their adorning congregations, all who are only too pleased to accept The World’s Standards for their peers and leaders! Which brings into question what they teach - if they cannot live by what they purport to represent!

And this is the shallowness of The Worldly Christian Nation (generally) whose members have ‘dumbed-down’ what Yahweh desires to see in His future Sons of God, where The World is only too eager to state: “They are only Human!” -

Which is precisely why their synapse construction mapping is considered worldly by Yahweh, and thus their

‘spirit/personality/desires/traits is not pure/blameless/{separate from the sinful world}’ and thus they do not have the one/same

spirit/personality/desires/traits separate from the sinful world = the HS which operates in Yahweh, JC and his apostles (John.14v20, 17v21) and the future TCs. Consequently these worldly Christian leaders are not accepted by Yahweh as TCs – but far from that standard!

And because The Religious Establishment (of collectively the some 37,000 Christian schisms – during their place/time) are complicit in this methodology, then they are all ‘tarred with the same brush’! - Which is precisely why Yahweh is still searching out The Individuals who do personally imitate JC’s ministry/lifestyle presently freed from the worldly corruption of methodology which we witness within all The Worldly Establishments without exception.

All pretty obvious - but we realise why this righteous logic escapes the mind of our worldly Christian leaders!

So let us enter the listing of requirements:-

1. Irreproachable/blameless – thus a person who has the correct view of The Real Faith (= accurate Knowledge + Assurance + Fidelity). How many Christian leaders can sincerely (with the synapse mapping audited by Yahweh) claim all three required qualities?

2. *Husband of one wife. Not as we witness today:-*

2.1 *Husband of several wives (divorce is not accepted by Yahweh unless the other partner was previously unfaithful).*

2.2 *Wife of a husband. (Thus not women Priests/Vicars/Bishops/'Fathers')!*

2.3 *Husband of a man (homosexuality).*

2.4 *Wife of a wife (lesbianism).*

2.5 *Husband of an animal (not there yet – but on recent progression – it will not be long before this is accepted as 'standard' behaviour)!*

3. *Children who are faithful. This is a difficult to maintain because all humans are individuals and thus operate under free choice, of which rebellion is an option. But the point is that the groundwork must be given and it must be left to the child to decide how faithful they personally chose to become. For we are told we are not judged upon what our Father has done, and equally it goes the other way.*

4. *Not presently facing a secular charge of profligacy/excess/loose behaviour} - thus untamed self-indulgence expressed.*

5. *Not being disobedient/unruly. Quite simply having a mindset that demonstrates self-indulgence within the person shows to The World they are not able to reform/readjust their spirits/personality/desires/traits from that of The World to become the one/same as that which is sourced by Yahweh. Thus they are obviously not viable candidates for instructing other persons on how to behave – if they are unable to implement what is required within themselves!*

So these verse are written as a guide, and already it is starting to rule out some worldly Christians to become possible TCs (in their present state), but what is worse; we have exonerated/revered Christian leaders who fall foul of these requirements!

So again – would Yahweh really commission these persons as “appointed to tell” (apostles)?

Obviously not! They are rejected by Yahweh – irrespective of how wonderfully revered by The World they might be, because The Bible states in many places that those who are Apostles will not be revered by The World, but ‘rather’ they (= TCs) shall be persecuted by The World (John.16v1-4) precisely as we have witnessed through The Gospel Age!

Titus 1v7 og {it is/was necessary}/behoves/should/ought for the superintendent/{ecclesia officer}/overseer

Titus 1v7 og unaccused/irreproachable/blameless/{without charge} {to be/exist} {in that manner}/likewise/as

Titus 1v7 og not (the) {a smiter}/pugnacious/quarrelsome/striker,

not the {self-pleasing}/arrogant,
not the irascible/{soon to anger},
not the the {a tippler}/{given to wine},
not the pugnacious/striker,
not the {for sordid gain}/{greedy of illicit gain},

More instruction directly from Paul.

The ecclesia officer (Christian leader) must:-

1. Not be accused (thus irreproachable/blameless).
2. Not be {self-pleasing}/arrogant/{self-willed}.
3. Not be irascible/{quick to anger}.
4. Not be {a tippler}/{given to wine}.
5. Not be pugnacious/quarrelsome/striker.
6. Not be {for sordid gain}/{greedy of illicit gain}.

Sadly repeating myself again:-

So these verses, written as a guide, are ruling out progressively more worldly Christians (in their present state) to become possible TCs, but worst, we have exonerated/revered Christian leaders who fall foul of these very basic requirements!

So again – would Yahweh really commission these persons as “appointed to tell” (apostles)?

Obviously not! They are rejected by Yahweh – irrespective of how wonderfully revered by The World they might be, because The Bible states in many places that those who are Apostles will not be revered by The World, but ‘rather’ they (= TCs) shall be persecuted by The World!

Remember – Yahweh is not looking at the public face, but rather behind The Public Face – being The Synapse Construction that stores what it has been created by – the spirits/personality/desires/traits of the individual.

I am utterly amazed how humans have the extraordinary capacity to dismiss anything pertaining to themselves at a personal level if they just do want to accept The Facts of what they are doing! They will blithely consider themselves as being perfect (with a few dismissively defects because of supposed ‘mitigating circumstances’) and thus, falsely consider they are fulfilling Yahweh’s Desire! We must realise that JC did not idly give the parable of the beam and splinter in the eye for us to ignore (Matt.7v3-5)! But more importantly JC told us that the faulty parts of us should be removed (Matt.5v29, etc) so that the remainder of us (pertaining to our spirituality) – contained within our synapse construction be retained for the 2nd part of our life ideally as a future son of God.

Titus 1v8 og but {fond of guests}/hospitable, (the) {fond to intrinsically good}/{promoter of virtue}/{love the ideal},

Titus 1v8 og (the) {safe (sound) in mind}/{self-controlled (moderate as to opinion or passion)}/discrete/sober/temperate,

Titus 1v8 og (the) equitable/innocent/righteous,

Titus 1v8 og (the) {right/correctness/proper (by intrinsic or divine character)}/pious/sacred,

Titus 1v8 og (the) {strong in (a thing)}/masterful/{self-controlled (in appetite, etc)}/temperate,

Titus 1v8 = but (the ecclesia officer must be) **hospitable,**
the {fond of (that which is) intrinsically good}/{promoter of virtue},
the {self-controlled}/temperate,
the equitable/innocent/righteous,
the {correct intrinsic character}/pious,
the masterful/disciplined,

More instruction directly from Paul.

The ecclesia officer (Christian leader) must:-

1. Be hospitable.
2. Be {fond of which is intrinsically good}/promoter of virtue (being what is not worldly in habits/customs/ideas/concepts/reasoning/etc).
3. Be {self-controlled}/temperate.
4. Be equitable/righteous.
5. Be of {correct intrinsic character}/pious.

6. *Be masterful/disciplined (over what is required to fulfil Yahweh's Desire).*

A question might arise within the reader's mind:-

Why do I keep writing out the listings as contained within the verse?

Because quite simply, people are so apt to skim over a verse and not really take in the full significance of what is being stated at a personal level!

And again a question must be asked:

How many Christian leaders behave as required in the listing given above?

And the same conclusion realised – if not, then they cannot be deemed as TCs by Yahweh – and thus are **not** appointed by Yahweh to tell!

And contrary to what we are taught by our worldly Christian leaders 'dumbing down' The Standard as laid down by JC to devalue what 144000 really means at a personal level – we understand precisely why Yahweh can only obtain 144000 TCs out of the 2000 year (or so) Gospel Age before mankind implodes (Matt.24v21-22, et al).

Titus 1v9 og (the) {holding oneself opposite}/{adhering/cleaving to}/{caring for}/{holding fast}/supporting

Titus 1v9 og also the (ones = persons) disputing/refusing/contradicting/gainsaying

Titus 1v9 og (to) confute/admonish/convict/convince/{tell a fault}/rebuke/reprove.

Titus 1v9 = the {adhering/cleaving to}/{holding fast}

that (the person) might/should (become) powerful/capable, (= a powerful minister of The Word of God to combat fraudulence)

also to beseech/urge within the {not corrupted}/wholesome {instruction of doctrinal information}, (teaching 1st Century Christianity)

also to confute/admonish/convince the persons disputing/contradicting. (= worldly and worse, charlatan Christian leaders)

More instruction directly from Paul to Titus (and us who are aiming to become TCs):-

1. Adhere/Cleave to the instruction given by the trustful/sure Word of God (= JC teaching by both word and deed 1st Century Christianity)

2. From (1) we will become powerful/capable in using The Word of God as a sword (Eph.6v17) to defend, and to attack in the Name/Character/Authority of Yahweh, always knowing that we are supported by having the one/same spirit/personality/desires/traits.

3. We are to have uncorrupted (= accurate), wholesome {instruction of doctrinal information} operating within our minds.

4. From (3) we are able to confute/admonish/convince those persons who dispute/contradict.

Sadly those of us who are aiming to become TCs are not just fighting with The Word of God against atheists, but rather against those who claim to be religious, being many of those persons who specifically claim to represent Yahweh (= The Christians). Being precisely the problem JC and his disciples had with those of the 1st Epoch Israel who equally claimed to represent Yahweh (= The Jews represented by The Pharisees).

For it is the worldly (and worse, charlatan) Christian leaders (of the 2nd Epoch 'Israel' = The Christian Nation) who make Yahweh's Word appear to be ludicrous/ridiculous in the sane/reasoning mind of The Atheist! It is absolutely not the fault of the atheist – but the charlatan Christian leaders spinning God's Word into a nonsense – that is why they shall not be resurrected after the end of their present existence!

Thus it is the disputing/contradicting (hence 37000 schisms at 2005 CE) worldly Christian leaders who justify worldly methodology, promote unrighteous actions, myths and mysteries – of which they and their nonsense must be confuted/admonished/convinced by the TC correctly using The Word of God in The Most Righteous manner.

Hence the next verse:-

Titus 1v10 og {they are/be} for many/plenteous also (the) unsubdued/insubordinate/disobedient/unruly (persons),

Titus 1v10 og (the) {empty exclaimers}/{vain talkers}/{stators of worthlessness} (persons),

Titus 1v10 og also (the) {mind deluders}/seducers/deceivers (persons),

Titus 1v10 og {very most}/{in the greatest degree}/chiefly/{most of all}/especially the (ones = persons)

Titus 1v10 og {from/out of} (of the) circumcision,

Titus 1v10 = For {they are} many/plenteous persons,

also the disobedient/unruly persons,

the {empty exclaimers}/{vain talkers},

also the {mind deluders}/seducers/deceivers,

(who are) {very most}/chiefly/especially the persons {from out of} the circumcision.

This verse can be read, and then quickly dismissed as having no relevance to us as: "Christians"!

But if we did this – then we would be so very greatly mistaken!

What does this verse REALLY mean?

To whom is this verse REALLY pointing towards – for our edification at The End Times of The Gospel Age?

It must be perfectly understood – Paul is **not** speaking of non-religious persons.

He is also not speaking of those persons who are of other religions.

Why?

Because they are the persons who are to be given The Word of God, and will be receptive to it because it is so much better than what they had until Paul (= a TC) came onto the scene!

Paul makes the point:

"Especially the circumcised persons".

Paul uses the term "circumcision" because he is **not** speaking of the Jews as a nation specifically, but rather The Ideology being Judaism, but more importantly 'The Upholders' of Judaism being The Pharisees (and the such-like). Thus he is only speaking of those leaders who represented The Established Religion (since The Promise given to Abraham) of the some 2000 years who had distorted/bent/twisted God's Word into worldly sound-bites within which the congregations could feel comfortable = Judaism! Being precisely of whom JC so caustically criticised (John.8v28-56). However this worldly teaching was to be overthrown by the new system of The Gospel Age driven by JCg (working as The Kingdom of God operating within the minds of the new TCs).

Does that description have overtones of what is here today at the end of The Gospel Age?

Let me repeat it again (but slightly changed):-

Paul uses the term: "Christian" because he is **not** speaking of any nation specifically, but rather The Ideology being Christianity, but more importantly 'The Upholders' of Christianity being The Christian Leaders (and the such-like). Thus he is speaking of those leaders who represented The Established Religion of the some 2000 years (since The Promise given to us through JC for sonship) who had distorted/bent/twisted God's Word into worldly sound-bites within which the congregations could feel comfortable.

However this worldly teaching is to be overthrown by the new system of The Millennium driven by JCg (working as The Kingdom of God operating as The Reality governed by the new TCs).

This throws a completely new light upon what Paul is teaching us here in the verse:

Thus by analogy, Paul is speaking of those persons who call themselves Christians and especially those who are coming out with worldly myths, ideas and concepts see v12 and by allegory v14 all in context (but also 2Tim.2v18, 3v5,13, 4v3, etc – there are just so many in the epistles). Today, it is 'conveniently labelled' as Gnostic teaching to promote a "them and us" mentality, without realising that present worldly Christianity is far worse in its insidious teaching to spawn out the some 37,000 worldly Christian schisms we have today - perhaps growing at 2 new schisms per day in The World! Where many of their sermons will be "{empty exclaimers}/{vain talkers}/{stators of worthlessness}" being to "please the ear" by those teachers heaped upon them for this 'exhilarating experience' 2Tim.4v3, etc.

How is Yahweh going to achieve His 144000 TCs who precisely imitate Paul as he imitated JC (1Cor.4v16, 11v1)?

I implore the reader to get behind the pretty/painted façade put up by the new charlatan Christian leaders (springing up every day) – who are only fuelling their own self-indulgence on the back of what they get by return through their spiritual 'worldly feeding program'. Thus they live on the back of God's Beautiful Word minced into worldly 'sound-bites' for their own pleasure/glory rather than bringing in more TCs (driven by the one/same spirit/personality/desires/traits as JC) as The Wheat Harvest to Yahweh our Most Wonderful God - Who deserves all the possible praise/glory/honour/dignity given by our hearts/{seats of motivation}.

Thus these worldly (and worse charlatan) Christian leaders are:-

1. "disobedient/unruly" to The Required Golden Standard as laid down by JC's ministry/lifestyle (witness their sermons)!
2. "{empty exclaimers}/{vain talkers}" to The Required Golden Standard as laid down by JC's ministry/lifestyle (witness their sermons)!
3. "{mind deluders}/{seducers/deceivers}" to The Required Golden Standard as laid down by JC's ministry/lifestyle (witness their sermons)!

I use the term "witness their sermons" because when I "witness their sermons", where I perhaps hear a reading given out of a worldly translated bible, or perhaps a few worldly sound-bite verses taken out of context. And then the self-claimed representative of God goes straight into some wayward worldly experience that is supposed to have some (tenuous) connection to what The Bible is teaching us.

Sadly all that has occurred is this:-

1. No explanation of what The Bible means to raise Our Standard away from The World to fulfil Yahweh's Desire.
2. But they give an apparent endorsement of our worldly activities!

Thus a complete 'dumbing-down' to a worldly standard at several levels:-

1. The bible translation used would perhaps be the NIV which is entirely useless for any analytical work.
2. The condoning of worldly activity by the self-proclaimed Christian leaders in an apparent quest to make the bible more relevant to us!
What a scam!

And those would be perhaps the 'better' sermons!

I have many transcripts of sermons given and others where I have line by line critiques of sermons that actually preach/teach the precise opposite to what Yahweh is really teaching us!

These are sermons given by humans who apparently have 'Doctorates of Divinity'!

And yet they are obviously far removed from fulfilling Yahweh's Desire!

It is an utter disaster – making Satan smile as all this puts off The Millennium for another day (see "Satan's Desire" in glossary)!

I really cannot understand what is going through their head!

But clearly they are so spiritual blind to The Real Gospel of 1st Century Christianity - as not to see The Real Gospel becoming The Vista in the Mind's Eye. This is all as JC told us in many places - but the one I like is at John.9v39-41 where JC tied The Pharisees around in such a knot they did not know how to respond. And this is merely one example, and another example I like is given at Matt.9v15, Luke5v34-35 (please read all my local commentaries that fully explain what JC is really teaching us – not to be found elsewhere in what our religious scholars are likely to deliver)!

However those examples given earlier are at one type of methodology practised within a specific set of Christian grouping.

Then we have 'high-spirited' groupings who are equally as bad because they just punch out sound-bites that mean nothing when taken out of contextual Bible placement. The leaders feign 'miraculous' experiences (illusions as might a magician – condemned by the Apostles) to hype the audience for that 'so important feel good factor' being The Froth that fades away until 'the next fix' of the beta-endorphin chemical mix within the brain occurs during 'the next gathering'.

If one of these participants of perhaps 10 years experience of these 'gatherings' then looks back upon what they have learnt in how to personally fulfil Yahweh's Desire – then do they really know what it is – being to fulfil Yahweh's Desire? And have they done it, or any part of it?

I would suggest - No!

So why does someone after some 10 years attendance of such activity not then know what really is Yahweh's Desire?

The answer to that question speaks volumes upon the content of such-like utterly worldly sermon material and more of what the leader desires to obtain from such-like sermons! - Where the leaders are so skilled to be effective at the worldly level in expressing their craft, but comprehensively spurned by Yahweh at the spiritual level.

As one of The Lord's auditors I can only make examination and recommendation – it is only Yahweh Who finally decides!

If I did/do not correctly audit and make accurate observations then I will be equally condemned by Yahweh (Eze.33v1-20) as not fulfilling my role! Just adding my notes of the Concordance of Topics:-

Paul did not use: "Jews" because he was not speaking of The Jewish Nation generally, but rather targeting The Ideology of The Worldly Religion which was "circumcision" for Judaism. Likewise, if Paul was speaking of "Christians" today, he would say: 'those of the cross' were disobedient, {empty exclaimers}, seducers/deceivers – not the congregational members but rather those who claim to represent The Cross (being the icon garb hanging off them)! Charlatan (especially) Christian leaders should be gagged – not physically, but by using The Word of God against them like a sword (Eph.6v17), thus enabling The World to realise their fraudulent nature! Where it is the charlatan Christian leaders seducing their adoring flocks through the use of crafted and endearing words to illicit self-indulgent gain sequestered from the various families that come to their congregational in times of 'worship'.

The question is:

Quite 'who' are they worshipping in their 'feel-good experience'? See what real worship means!

There are specific leaders of The Establish Religion who use this as a vantage point upon which it might become "for the cause of shameful/base gain/profit" to feed 'The Self', while being loved by their congregations! These specific leaders use God's Word as a tool to feed themselves (being any worldly self-indulgence money/position/fame/sex/prestige/{material gain}/etc) because 'The Now' has more significance than edifying themselves and their congregations to fulfil Yahweh's specific Desire as required for The Gospel Age (see glossary) to bring-on the next stage of Yahweh's Plan to bring forth Human Salvation as a whole for those members who ultimately imitate JC.

Titus 1v11 og {of the whom/which/that} (plural) {it is/was necessary}/behoves/should/ought

Titus 1v11 og (to) {upon/over the mouth}/{to silence}/{stop mouths} who/which (persons)

Titus 1v11 og whole/all/completely/throughout (the) dwellings/temples/houses/households/families

Titus 1v11 og {repeated turning}/{over turn}/overthrow/subvert,

Titus 1v11 og (of the) shamefulness/base/filthy (the) gain/lucre/profit

Titus 1v11 og {*(through)* favour of}/{on account of}/{for sake/cause of}.

Titus 1v11 = {Of those whom} {it is necessary} {to be silenced}/gagged, (= the TCs must counter the nonsense taught)
 (those persons) who {over turn}/subvert whole/throughout the households/families, (precisely as we witness across The World)
 teaching things that (they) should not, (= to be teaching worldly Christianity by both words and deeds)
 {for the cause of} of the shameful/base gain/profit. (= at a worldly level for self-indulgent gain)

This occurred then, and it is just so widespread now!

It is so important for the reader to understand and appreciate how subtle is the deception given today.

It is this deception which is so widespread (but fortunately there are pockets of resistance) between the religious leaders and their followers.

The leaders promote what the congregational members want to hear and the congregation as a whole materially support what they want to hear – most linked with minimal Truth, but enough plucked 'out of context' to give a façade of legitimacy to perpetuate this worldly mutual/symbiotic relationship!

I hear Biblical passages read, but no one really understands what they mean, or how they must be applied within our daily lives.

Leaders speak platitudes and meaningless sound bites "to scrape/soothe the listeners' ears" and the followers reply with financial support.

How so very sad – and "The Pretence" within which Yahweh is supposed to be praised - as the common denominator!

But this is not The Praise/Worship that Yahweh desires!

Yahweh detests The Hypocrisy (Amos.5v21-23, Hosea.5v3-4, Malachi.2v1-17 and many other minor prophets speaking of the 1st Epoch Israel, which is now precisely mirrored and more greatly condemned within the 2nd Epoch Israel = The Christian Nation) !

Yahweh is channelling deep into the personal synapse construction – much deeper than the public painted façade we put out to The World.

Yahweh is specifically searching out those TCs who precisely imitate JC's Golden Standard as laid down by his ministry/lifestyle driven by agapao/ {edifying love} to edify one's neighbour so that they too might come to understand why/how they too might fulfil Yahweh's Desire.

This is The Gospel!

Why do I speak like I do?

Because the Christian leaders should be encouraging the congregation (and a few are {phileo loved} by Yahweh because they are teaching) to:

1. Read The Bible regularly (= several chapters daily) so that we accurately know what is in The Bible.
2. Explain in detail what The Good News is and its relevance to us – and of our responsibility to respond to it.
3. Explain what is The Expectation (and absolutely not a vain "hope").
4. Show by example how the Biblical understanding must be actively applied within each and every person's life.
5. Explain the prophecies and show how applicable they are to us today.

Then in this way The True Body of Christ will grow and those persons partaking in this, will have their house built upon rock of solid understanding, rather than the loose sand of unrelated and unsubstantiated myths/whims. Thus when things around us become more difficult for humans within The World in the very near future insidiously creeping up upon us, then those specific individuals with solid understanding, practising the correct lifestyle will be able to withstand the (soon to be) coming storms of worldly tribulation and the end of The Gospel Age (Matt.24v22, and others, etc) which is soon to occur (hence the urgent need for this website to broadcast The Whole Gospel throughout The World – Matt/24v14, etc).

Titus 1v12 og (*he/she*) said/uttered/spoke/commanded/granted {some/any person} {from/out of} {of them}

Titus 1v12 og (*the*) inactive/unemployed/lazy/useless/barren/idle/slow (*plural*).'

Titus 1v12 = {Some person}, a prophet from of them said:

All Cretans are liars, worthless/harmful {dangerous animals}, lazy/idle stomachs/bellies.

No different today! – Some worldly Christians making judgements upon people and of their (presumed) 'future of perpetual torment in flaming hell'!

This is especially distressing when we are told in The Bible that we are not to judge our fellow being!

Then we have charlatan Christian leaders making preposterous claims that particular persons have multiple demons within them!

And on television I have seen some African Christian leaders demonising defenceless children and asking for monstrous sums of money to (supposedly) 'rescue' the child from these (non-existent) 'demons'! This activity drives me the-ever-harder to push this website and its ever increasing contents throughout The World to confute this heinously deviant practice!

Titus 1v13 og The {evidence given}/record/report/testimony this/that (*specifically*) (it) is (*of the*) true

Titus 1v13 og (*as not concealing*)/truly/truth.

Titus 1v13 og (*they may be*) {have sound health}/{be well (*in body*)}/{not corrupted}/{true in doctrine}/wholesome

Titus 1v13 og in to the faith/{knowledge/assurance/fidelity},

Titus 1v13 = The {evidence given}/report, this specifically is true! (= Paul says: 'Yes! - I personally heard it said!')

Through reason of that cause (then) you confute/admonish/convince them sharply, that they may be {true in doctrine}/wholesome within the faith/{knowledge/assurance/fidelity},

Just as Paul exhorts to us:

I am taking up The Baton to confute/admonish/convince these worldly (and worse charlatan) Christian leaders sharply, so that they might reform/readjust their synapse construction to become {true in doctrine}/wholesome in with The Real Faith (= accurate knowledge + assurance + fidelity) as I copiously explain elsewhere on this website.

I equally intend to confute their worldly doctrine directly and I am very desirous for material from these most decorous worldly acclaimed theologians contact me through the website email route provided so that I might word by word, line by line go through their worldly wisdom publicly for The World to read and then understand the errors within their worldly exegesis! Please note the entry terms and conditions as given off the Home Page.

Titus 1v14 og not (*the*) {holding the mind}/{paying attention}/{applying oneself}/{having regard} (*plural*)

Titus 1v14 og (*to the*) Jewish (*to the*) tales/fictions/myths/fables

Titus 1v14 og also (*to the*) {authoritative prescriptions}/commandments/injunctions/precepts

Titus 1v14 og (*of the*) men (*the*) {turning away/back}/{bringing again from} (*middle voice, plural*) the truth/verity;

Titus 1v14 = not {to hold the mind}/{have regard} to Jewish fictions/myths/fables also commandments/precepts of the men having {turned away} from The Truth. (note (present/partial))

Let me bring this warning of Paul 'up to date' in the context of another closing epoch of time just as it was when this epistle was written:-

= not {to hold the mind}/{have regard} to Christian fictions/myths/fables also commandments/precepts of the men having {turned away} from The Truth.

Please see the commentary located at 1Tim.4v7 for a whole listing of suitable examples of worldly Christian fictions/myths/fables to justify what I state here! And to have turned away from The Truth means they must have access to The Truth at some time in their life. Thus Paul cannot be speaking of non-Christians – but rather Christians who have ... v16 in context and also 2Tim.3v5.

This is harsh language – given not to condemn – but rather “to awaken” people from their slumbers and start realising what Yahweh desires in those persons who claim to represent Him – so that He might gain more TCs sooner – thereby enabling The Millennium to commence – just that bit earlier!

Titus 1v15 og all/whole/every (things) truly/indeed (the) clean/clear/pure to the (ones = persons) clean/clear/pure;

Titus 1v15 og and to the (persons) (having been) sullied/tainted/contaminated/defiled

Titus 1v15 og also (to the) disbelieving/{without faith}/infidel/heathen (persons)

Titus 1v15 og {not even one}/{no one}/none/nothing (is) (the) clean/clear/pure;

Titus 1v15 og but (has been) sullied/tainted/contaminated/defiled {of them} also the intellect/mind/understanding

Titus 1v15 og also the copercption/{moral consciousness}/conscience.

Titus 1v15 = Truly/Indeed all things (are) the clean/pure to the clean/pure persons; (= the TCs)
 and (by contrast), to the persons having been sullied/defiled, (= operating according to worldly methodology [including Christians])
 also to the disbelieving/{without (real) faith} persons (= persons not having 1st Century Christianity)
 nothing is the clean/pure; (= operating to worldly methodology will corrupt Godly things upon which to self-indulge)
 but also has been sullied/defiled their intellect/mind/understanding also the {moral consciousness}/conscience.

Thus everything starts as being clean/pure and accepted/treated as such by those persons who choose to operate according to Yahweh's Methodology. Also they will try to improve the situation/whatever so that the outcome/whatever is clean/pure/edified – specifically towards their neighbour.

Essentially they make the best out of whatever situation – perhaps likened to people looking at a specific circumstance as a ‘half full glass’.

However those persons of The World's Methodology who choose to pervert what is clean/pure into what becomes sullied/defiled because The World's Methodology of self-indulgence sullies/defiles the spirit/personal/desires/traits of The Mind within worldly operating people.

These persons of depravity will take a situation/whatever and spin it around for their self-indulgent gain.

Or perhaps they will simply negatively assess any situation/whatever – perhaps likened to people looking a specific circumstance as a ‘half empty glass’.

Examples of what was originally good but perverted for someone's self indulgence would be sex, money, games, animals, etc and the myriad of

activities that spin-out from those four topics. But perhaps the top of the listing should be “Religion” and The Defilement that “religion” delivers to

The World for those persons who chose to remain worldly by remaining within “Religion” noting the warning at Rev.18v4 kindly given by JCg via John!

Likewise JC taught us by warning at Mark.7v13-23 that “Religion” spins truth on its head – because it is The Motivation within the leaders of

“Religion” still operating according to worldly methodology that chooses to make what started as originally being clean to pass through our leaders of

“Religion” and then be come dirty and defiled. This is the basic hypocrisy of which JC spoke at (Mat.6v2-5, Luke.11v44, 12v1). And sadly unless the

assessor is well versed in The Bible – then they will not recognise it – which is precisely why leaders of “Religion” hide things, and give out very

incomplete teaching and shroud things in “mystery” to keep “The Mystique” flowing to have an apparent hold over their audience. Very much as a

stage illusionist or magician might to keep the money/fame/leverage/glory coming in from The World! All of which is condemned within The Bible

by both illustration and instruction – where everything must be brought out into “The Open” and not hidden away!

It is only an auditor like myself, being well versed in The Bible, who is competently able to peer through their machinations and give public warning!

Titus 1v16 og (The) God (they) assent/covenant/acknowledge/promise/agreement

Titus 1v16 og (to) know/understand/{be aware}/see/perceive,

Titus 1v16 og to the and {occupational efforts}/doings/works/labours/deeds

Titus 1v16 og (they) contradict/disavow/reject/abnegate/deny/refuse (middle voice),

Titus 1v16 og (the) detestable/idolatrous/abominable being/have also (the) unpersuadables/contumacious/disobedients

Titus 1v16 og toward/earnestness/{accession to} all/whole/every {occupational effort}/doing/work/labour/deed

Titus 1v16 og (the) {intrinsically good}/{well being}/ideal

Titus 1v16 og (the) unapproved/rejected/worthless/reprobate/castaway/disqualified (plural).

Titus 1v16 = They covenant/promise/agree to know/understand The God (Yahweh),
 and they personally contradict/abnegate/refuse with {occupational effort}/deeds, (= their deeds counter their words = hypocrisy)
 being the detestable/idolatrous/abominable, (= against The Image that JC portrayed of Yahweh required for becoming a TC)
 also the {not persuadable}/disobedient
 (and) the unapproved/rejected/disqualified towards (= for) all {intrinsically good}/ideal {occupational effort}/labour.

Again in context – Paul is not speaking of non-Christians, but those leaders of The Religious Establishment responsible at the time to be representing

Yahweh's Word that we know was transferred overtly/officially in 70 CE from The 1st Epoch Israel to the 2nd Epoch Israel being The Christian Nation.

Now equally over a similar period of time, of some 2000 years, the 2nd Epoch Israel has become equally “detestable/idolatrous/abominable, also

disobedient and unapproved/rejected/disqualified for all {intrinsically good}/ideal {occupational effort}/labour” to use Paul's words redirected to the

generally rejected Christian Nation. Thus we are coming to the close of this present epoch of The Gospel Age when Yahweh shall bring in The

Millennium where the TCs and Prophets shall teach The 3rd Epoch Israel being The Resurrected World so that the last “remnant of Israel” (of the 3rd

Epoch of Israel) might be righteously drawn out, back to Yahweh before The 2nd Death of annihilation.

The Prophets where ‘The Remnant from The 1st Epoch Israel returning back to Yahweh’ and the TCs where/are ‘The Remnant from The 2nd Epoch

Israel returning back to Yahweh’ ready for The Millennium to teach The Resurrected World of The 3rd Epoch Israel (please see local commentary at

2Cor.12v1-3).

Thus as we are taught here, – Yahweh desires those Christians who “covenant/promise to know/understand The God (Yahweh)” – being those

individuals who are ultimately to become TCs. Obviously those other persons who do not “know/understand The God (Yahweh)” cannot be accepted

by Yahweh to be representing Him – which brings into question the credibility of those leaders who claim to come in Yahweh's Name, but find Him:

“A Mystery” and “We are not given to know”!

And thus these worldly Christian leaders shall be rejected by The Lord from having office over His affairs in The Millennium as specifically forewarned

by JC in his parable of the wasteful steward Luke.16v1-12, being specifically they will be rejected from teaching The Resurrected World Righteousness

as future sons of God in The Millennium. And once theses worldly Christian leader are demonstrably shown to be rejected for sonship by Yahweh, then

the members of their former congregations will turn upon their ex-religious leaders and demand explanations as to why they were not taught correctly

and thus they too, equally missed the opportunity of become sons of God themselves! This is a dire warning of The Reality which will occur soon!

Now for something I wrote some 5 years earlier on my previous revision:-

The majority of people (from the most religious, to the humanist) all proclaim platitudes to fellow man so they 'sound good' to their fellow listening

men. We would think that with all these wonderful words being said, there would be improvement among their fellow neighbours of The World! –

But still pain and suffering abounds in fellow man! It is an audited fact: The materially poor within in this world are becoming worse off!

But there is always a ‘good’ reason why it does not happen in the culmination of the assessment – just excuses!

Thus this piece tells us:-

That the common denominator is our selfish desire (for an easier, self-indulgent life) and thus to be separated from God – God does not want us to

be separated from Him!

And what do we see?

People pretend through platitudes, words/actions to placate their lifestyle!

But JC said (Mark.10v21-22): Sell everything and follow me (though we are not to live off others – Acts.18v1-3, 2Thes.3v6-12, etc).

The message is saying: Do not rely upon worldly things, but focus upon accurately preaching the understanding of God's Word so that all people within The World know what they should be doing. So with the correct knowledge we know how to operate in a selfless manner. Then in this manner all persons within The World become edified first, spiritually and then secondly, become edified physically with our works following the practising belief in JC.

This is all to the praise of Yahweh God through JC, as JCg of us.

Sadly virtually no person teaches this (but merely platitudes about what man should be doing to man [and creatures of the environment] – but any worldly religion preaches this) – Thus this is 'The Sin of Deception' from all our religious/worldly leaders to make them sound very nice people – so they are given material support from their followers – this is a symbiotic mutual selfishness – from all worldly religions and suits the desires of Satan because JCg and his Father Yahweh are given no credit, but made to look bad through (for example) accredited with unrighteous 'Acts of God'. There is nothing in the message of these worldly religious/political leaders about the inherent agapao/{edifying love} and reverential fear we are to have for our wonderful Adopting Father (in The Culmination) and through the correct mental inclination/motivation, then our agape/{edifying love} yielding agape/{charity works} follow on to display this agapao/{edifying love} within our mind to edify our neighbour, this is what will be taught in The Millennium – and those persons not accepting it will be permanently removed. We are commanded to preach of The Millennium – but virtually no Christian Leader teaches this message!

The future Expectation of sonship (for TCs) and the following Millennium to teach righteousness is The Real Gospel (Good News) Message.

We show this fact today by our commitment to the command that JC gave to us before he left this earth: "Go and preach The Good News to the world." And then the end of this evil system will come to an end by The Millennium being instituted by Yahweh through JCg (Matt.24v14).

Titus 2v1 og thou/you and speak/utter/say (things) whom/which/that

Titus 2v1 og (it) {to tower up}/{be conspicuous}/suitable/proper/fitting/becomes

Titus 2v1 og to the {have sound health}/{be well (in body)}/{not corrupted}/{true in doctrine}/wholesome

Titus 2v1 og (to the) {instruction/teaching of information/function doctrine}.

Titus 2v1 = And you speak/say things that {tower up}/conspicuous/proper (= to edify the recipient)
with {sound healthy}/{not corrupted}/wholesome {instruction of doctrinal information}. (= edifying knowledge)

Thus those Brethren (Christians) aiming to become TCs must speak powerful wholesome instruction to teach people how to fulfil Yahweh's Desire. To be in this position then we must accurately know and understand The Word of God precisely! It is a personal responsibility to precisely imitate JC's ministry/lifestyle and that is how we are able to fulfil Yahweh's Desire during The Gospel Age to yield His 144000 future sons of God. Clearly those worldly Christian leaders who do not fulfil this requirement, do not understand Yahweh's Desire and thus do not have the one/same spirit/personality/desires/traits that is separate from this sinful world (thus not having the HS) and thus cannot be elected/chosen as TCs for sonship. Thus the members of the congregations must understand it is the exhorting/urging by the leaders to become like Paul as he tried to imitate JC's ministry/lifestyle (1Cor.4v16, 11v1) and we know what his lifestyle was like as we read in 1Cor.4v10-13, 2Cor.11v23-28.

It is not to be as we read in 1Cor.4v8-9 where the collective understanding of the congregations (driven by The Leaders) would be how wonderful they all are (2Tim.4v3-4) as they sing their songs and pampering one another presuming themselves to be already kings in Yahweh's sight!

So musing on the following conundrum:

What specifically makes this worldly Christian grouping (and the some 37000 other worldly Christian groupings) any different from other worldly religious congregations for example Hindus, Muslims and Sikhs who equally say how wonderful they all are, and pampering themselves presuming they are fulfilling the desire of their 'God' deemed as being The Almighty under their different names?

For a comparative example (with appropriate subtle differences):-

Faith	Almighty God	Human interface
Christian	Yahweh (Jehovah)	Jesus Christ
Hindu	Brahma (Creator)	Krishna
Islam	Allah	Muhammed
Sikhism	One Immortal Being	Guru Nanak
Etc	Etc	Etc

So just because worldly Christians introduce the name "Jesus" does not make them any better, if their lifestyle is worldly just as those believers within the faiths of Hindus, Muslims and Sikhs. In fact, Yahweh knowing the worldly Christians have The Prime Reference Standard and they do nothing specifically with it (when compared with what those members of the other faiths do with their 'master document') makes Christians more culpable!

Thus what is the difference?

The only difference is if we feel motivated to follow Paul's instruction: "Imitate me as I imitate JC" (1Cor.4v16, 11v1) - Where JC is The Golden Standard of which the Hindus, Muslims and Sikhs have no access (from their 'master references')!

And it is specifically this aspect which this website "FutureLife.Org" screams out to The World – we are to precisely imitate JC's ministry/lifestyle. In this manner through our accurate ministry work precisely imitating JC's ministry/lifestyle we fulfil Yahweh's Desire and He obtains His 144000 future sons of God that can only come out of The Christian Nation – which is precisely why JC started a 'new religion' whose members are ultimately to imitate The Premier Son of God who himself created us (using his Father's HS) and thus became 'the specific god' of us!

And Yahweh can only gain 144000 additional sons of God from JC's creation provided they precisely imitate JC to the very best of their ability driven by agapao/{edifying love}.

It is this that separates The Christian Nation from all other worldly religions – and specifically why when the vast majority members of the Christian Nation behave intrinsically no differently to those persons of other faiths, then likewise they are ignored by Yahweh – because He cannot righteously do any differently! He can only work with those individuals who are aiming to become TCs (James.1v6-8 being the warning counter).

And thus, that is why Yahweh is able to work with the TCs who do behave intrinsically differently to Hindus, Muslims and Sikhs (and worldly Christians) because it is only TCs who do precisely imitate JC's ministry/lifestyle (as "deemed entirely worthy" by Yahweh during His Special/Greater [1st] Judgement of all Christians during The Gospel Age).

Can the reader understand this righteous exegesis? It explains Yahweh's Plan out of the present mess we placed ourselves within!

Sadly none of this is explained by worldly Christian leaders/theologians because they have no worldly incentive to do so, and they neither have The Drive to preach/teach what this website teaches for fear of the worldly repercussions as given in John.6v60 and the resultant action John.6v61, 66, because they have made their home within The World and have not The Vista of The Kingdom of Heaven/God operating within their mind ready for The Millennium, where TCs having this vista operating within them (being sojourners in this present world) shall become future Sons of God to administer The Inheritance of The World alongside JC to teach The Inheritance righteousness for its salvation. This is all precisely as The Bible teaches us!

Titus 2v2 og (the) {aged (masculine)}/{old man} (the) sober/circumspect/discreet/temperate {to be/exist},

Titus 2v2 og (the) venerable/honourable/honest/grave,

Titus 2v2 og (the) {safe (sound) in mind}/{self controlled (moderate as to opinion or passion)}/discrete/sober/temperate,

Titus 2v2 og (the) {have sound health}/{be well (in body)}/{not corrupted}/{true in doctrine}/wholesome

Titus 2v2 og to the faith/{knowledge/assurance/fidelity}; to the benevolence/charity/dear/love/(agape),

Titus 2v2 og to the patience/endurance/{patient continuance};

Titus 2v2 = Aged men {to be/exist} the sober/circumspect/temperate, the venerable/honourable, the {self controlled}, the {not corrupted}/wholesome to the faith/{knowledge/assurance/fidelity}, in the {charity love}/agape, in the patience/endurance.

Paul is teaching of the characteristics to be displayed by those persons who are trying to imitate JC's lifestyle.

Wonderful qualities for those persons who are trying to imbue The Word of God within them to gain The Real Faith so that they might practise charity works in teaching all humans to understand why/how they too are to fulfil Yahweh's Desire.

And for this the TCs shall be persecuted by those persons of The World who feel most exposed by the TCs' accurate teaching.

Titus 2v3 og (the) {aged (feminine)}/{old women} {as thus}/{in the same way}/{even as}/{in like manner} in

Titus 2v3 og (to the) {by position/condition}/demeanour/behaviour

Titus 2v3 og (the) {towering holiness}/{becoming sacred}/reverential,

Titus 2v3 og not (the) traducers/{false accusers}/devils/slanderers, not (to the) wine (of the) much/plenteous

Titus 2v3 og (having) {become enslaved}/{entered bondage}, {teachers of beauty/virtue}/{instructors of good (things)},

Titus 2v3 = Aged women {in like manner} {becoming sacred}/reverential within demeanour/behaviour,

not the {false accusers}/slanderers,

not having {become enslaved}/{entered bondage} of the much/plenteous wine,

{teachers of beauty/virtue}/{instructors of good things}.

Thus aged women equally have targeted instruction specifically for their sex (not a popular expression in the 'liberated' world of today – which is precisely why the members of The World should read more of The Bible rather than despise its instruction – see 1v16)!

Ultimately it is good advice especially if these sections are amplified and we drill down through these sections when referenced to what we witness occurring at The End Times of The Gospel Age.

I will leave that discussion there - else we fall foul of the warnings and instructions Paul gives elsewhere (2Tim.2v16, 23, and other places).

Titus 2v4 og that (they may) {to make of sound mind}/discipline/correct/{teach to be sober} the

Titus 2v4 og new/fresh/regenerated/young (the) {fond of men}/{affectionates (as a wife)}/{husband lovers}

Titus 2v4 og {to be/exist}, (the) {fond of (one's) children}/maternal/{children lovers},

Titus 2v4 = that they (aged women) may discipline/{correctly train}

the young (women) {to be} {affectionate as a wife}/{husbands lovers}, (and) the {children lovers},

This is rarely practised today – but rather to be combative and self-indulgent.

This is not a sexist statement – because the husbands are likewise to be “loving their wife as their own flesh” (Eph.5v29-31) – and should be doing nothing to hurt both physically and mentally any part of their ‘own’ flesh.

The point of this provocative statement is to demonstrate how The World has driven its ideals to become more self-indulgent, rather than to be caring for their neighbour. It is these mixed messages that lead to confusion within the untrained mind – which is precisely why The World is at its present juncture in time (hence its soon-to-be closure through a self-implosion)!

Titus 2v5 og (the) {safe (sound) in minds}/{self controlled (moderate as to opinion or passion)}/discrete/sober/temperate,

Titus 2v5 og (the) clean/innocent/modest/perfect/chaste/pure (plural),

Titus 2v5 og (the) {‘guards’ at home}/{domestically inclined}/{house keepers}

Titus 2v5 og {intrinsically good}/{well being}/ideal (plural),

Titus 2v5 og (the being) subordinate/subjection/{under obedience} to the {pertaining to the self}/{one's own}

Titus 2v5 og (the) men/husbands/fellows, that not the word/sayings/topics/reasoning of the God

Titus 2v5 og (be) vilified/{spoken impiously}/defamed/reviled;

Titus 2v5 = the (women to be) {safe in mind}/{self controlled}/sane/sober,

the (women to be) clean/innocent/perfect/pure,

the (women to be) {‘guard’ at home}/{house keeper},

the (women to be) {intrinsically good}/ideal,

the (women to be) subject to their own husbands,

(so) that the words/sayings/reasoning of the God (Yahweh) (is) not vilified/defamed/reviled. (= Within the minds of outsiders.)

These are all wonderful qualities – which must be complementary matched by an agapao/{edifying loving} husband.

Sadly The World teaches differently – because The World deems its methodology of self-indulgence is better (“look after Number One”, “only young once”, “I have only got one life” [not understanding the full significance of that statement – see “2 part life” in glossary] and why Satan likes that statement – see “Satan's Desire” in glossary – so that the 144000 trigger threshold might never be attained)!

The last section would be a reference to Gen.3v16 - and it could be argued that because this is seen to be redundant by what is practised within The World today then this is another sign The Present System (being the 6000 years of Satan's methodology ruling The World) is at a close.

This does not mean I endorse one stance or the other – but merely as a commentator making the observation that this was stated “To Be” by Yahweh and now it is being wilfully disposed by mankind, then this system will equally be disposed (all as The Bible foretells in several places).

Titus 2v6 og the new/fresh/regenerated/young (persons = men) {as thus}/{in the same way}/{even as}/{in like manner}

Titus 2v6 og (you) {call near}/{invoke by imploration}/beseech/exhort/entreat/urge

Titus 2v6 og (to be) {sound mind}/sane/moderate/{right minded}/soberly/staid;

Titus 2v6 = The new/young men {in like manner} you beseech/exhort/urge to be {sound mind}/{self controlled}/sane/sober;

There is no partisan approach if a perfected society is to be instituted.

Men must hold dear to themselves all members of society – primarily to educate them to understand Yahweh's Desire and how to fulfil it!

Sadly our worldly Christian leaders do not understand Yahweh's Desire, nor His Plan for Human Salvation and thus are unable to personally fulfil “Yahweh's Desire” (see glossary) but they could if they had Real Faith which is possible for them to attain through {accurate knowledge + assurance + fidelity}! Please imbue what is on this website and make that all important change!

Titus 2v7 og concerning/about all/whole/every (things) {of thyself}/{of your own self}

Titus 2v7 og {holding near}/presenting/affording/exhibiting/{furnishing occasion}/bringing/doing/giving/keeping /ministering/offering/providing (middle voiced)

Titus 2v7 og (the) {occupational efforts}/doings/works/labours/deeds,

Titus 2v7 og in to the {instruction/teaching of information/function doctrine}

Titus 2v7 og (the) incorruptibleness/{purity (of doctrine)}/uncorruptness, (the) venerableness/probity/gravity/honesty,

Titus 2v7 og (the) incorruptibility/{unending existence}/genuineness/immortality,

Titus 2v7 = concerning/about all things {of yourself},

the present/exhibit/provide the pattern/mould/form/type of the virtuous/valuable/worthy {occupational efforts}/labours within the incorruptibility/purity of the {instruction of doctrinal information}, (= to be operating within the mind)
the probity/honesty, the incorruptibility/genuineness/immortality,

“concerning all things” means – just that!

It means everything that we do driven by our mindset!

Clearly our works mirror what our mind commands – else there is some discontinuity down the spinal nerve!

Thus as I profusely explain elsewhere, this obvious logic throws into disrepute the ridiculous worldly Christian statement that :

‘Yahweh loves who you are but hates what you do’!

There is absolutely no scripture (in context) within The Whole Bible to support such an unrighteous worldly statement – but I could give many quotes from both The Old and New Testament to state the very opposite! And these presumptuous self-claimed representatives of Yahweh are supposed to be accurately representing Yahweh! What a very sad joke (in the minds of sane atheists) and a ‘joke’ that Yahweh takes very seriously (Luke.12v46-68)! However after that slight diversion – please let me return to the verse.

The Brethren (= Christians) aiming to become TCs must:

“Exhibit themselves as the pattern/mould/form/type of virtuous/valuable/worthy {occupational efforts}/labours in the purity of instruction of doctrinal information of honesty and genuineness.”

To do what?

To precisely imitate JC’s ministry/lifestyle in agape/{edifying love} to accurately teach The Word of God in both word and deed.

It means absolutely nothing else – except if by perchance we are able to physically aid your neighbour to help them – then you do so.

Most certainly do not promote the useless doctrine of The Worldly Christian Establishment!

This must be done for two reasons:-

1. It fulfils Yahweh’s Desire to bring on more next-generation TCs.

2. It becomes The Visible Standard for The World (based upon the invisible Golden Standard operating as JC’s parousia within the TC) upon which the members of The World then have no excuse not to imitate (when they are questioned in The Millennium upon their resurrection)!

Titus 2v8 og (the) word/sayings/topics/reasoning (the) healthy/{well (in body)}/true (in doctrine)}/sound/whole,

Titus 2v8 og (the) unblameable/{without condemnation},

Titus 2v8 og that the (one = person) {from/out of} (the) opposition/antagonistic/{(over) against}/contrary

Titus 2v8 og (may be) {of respect (negatively)}/confounded/regarded/shamed,

Titus 2v8 og {not even one}/{no one}/none holding/taking/possessing/obtaining/having concerning/about

Titus 2v8 og (of the) you (to) state/exclaim (the) foul/flip/wicked/evil/bad.

Titus 2v8 = the word/sayings/reasoning (as sourced by Yahweh through the apostles, and not by worldly Christian leaders)
(God’s Word is) healthy/sound/wholesome, (= to edify the human mind unto agapao, that ultimately yields charity worthy of life)
(God’s Word is) unblameable/{without condemnation}, (= the advice/instruction sourced by Yahweh cannot be faulted)
that the person {from out of} the opposition/counter/contrary may be confounded/shamed, (= the opposing leaders of “Religion”)
(so that) {not even one} person having (anything) the foul/wicked to state {of you}. (= become like a Teflon coated person)

Thus from the previous verse Paul continues the theme to how and why the TC must become The Pattern/Mould for people to imitate – so that the opposition cannot find any cause to rubbish the message (= The Gospel) through any form of character assassination of the messenger.

The example would JC being called drinker (tippler) because he taught The Word of God to those persons who might have been drinkers themselves.

Thus the TC must keep out of controversial politics and stay only with The Gospel Truth being the healthy/wholesome Word of God, that builds people up ready for The Millennium.

Anything other than “1st Century Christianity” progressively becomes worldly and sullies our mind to the fulfilment of Yahweh’s Desire, hence we must stay clean/undefiled and thus away from The World and its methodology.

Example 1.

Paul taught us to become like the recipients in how we are to teach The Word of God (1Cor.9v19-22).

This absolutely does not mean we incorporate their ideas and reasoning, but rather, that we do not put up prejudicial barriers that could be used as an excuse (later) by the recipient that they have not fulfilled Yahweh’s Desire because he/she disagreed with a worldly opinion the teacher of God’s Word might have had. Thus the worldly barrier became an obstacle to the furtherance of Yahweh’s Desire being fulfilled within The Environment – likewise Paul teaches the same thing – regarding food at 1Cor.8v10-13.

Example 2.

To be a leader (politics/religion/commerce) requires to control people, And ‘The Control’ operates at a worldly level using the methodology of The World to ensure the success of what the leader wants – that ultimately must please the people who put the leader in place (or by dictatorial means – for worldly gain) where it is The Leader or those supporters who put him/her there want their worldly aspirations fulfilled. We can see that for all this to operate means that The Mind is sullied by The World and its methodology to enact what is require to achieve The Result – that is at variance to Yahweh’s Methodology to “edify our neighbour to our own hurt”!

Thus the leader must operate in Machiavellian style ‘behind closed doors’ (as did The Pharisees John.11v47-53, counter to JC, John18v20), That is logically why it is utterly impossible for a worldly leader to be a TC (the two positions are utterly incompatible)

In this manner by being utterly neutral in worldly affairs makes us righteously impregnable!

Leaders of “Religion” (being our only source of opposition) cannot level any worldly charge against us because we are utterly neutral (unlike themselves) and thus the person aiming to become a TC has a protective non-stick coat of PTFE (Teflon) around themselves – and in this manner they are able to present themselves as being clean and wholesome – away from the operations/systems of this present world (metaphorically represented in prophecy as “The Earth” because it is “The Earth that supports The World”; where “world” means “Life” - predominately = “humans”). But not only is ‘the outside clean’ – being what worldly humans can ‘pin on us’ aiming to become TCs, but also our mind is continually growing upon The Word of God to make us better people (to the ultimate edification of society), and we have personally removed ourselves from searing/burning our minds upon the machinations/deception/lies/distortions that operate within worldly focussed people (principally “leaders” wherever throughout society as history so readily teaches us)!

Titus 2v9 og (The) Slaves/{Bond servants} {pertaining to the self}/{one’s own} (to the) lord/masters

Titus 2v9 og (to be) subordinate/subjection/{under obedience},

Titus 2v9 og in (to the) all/whole/every (things) (the) {fully agreeable}/acceptable/{well-pleasing} {to be/exist},

Titus 2v9 og not (the) disputing/refusing/contradicting/gainsaying,

Titus 2v9 = The slaves/{bond servants} (including paid workers today) (inasmuch the tie of a bilateral agreement)
(are) to be subordinate/subject/{under obedience} to {one’s own} masters,
{to be/exist} {fully agreeable}/{well pleasing} in all things, not the disputing/refusing/contradicting,

This behaviour shows the TC slave/worker to be different to the worldly slave/worker.

We might reason on seeing the difference, then The Master will ask:

“Why the difference in character?”

Then in this manner the slave preaches to his master.

Also we might reason the TC slave/worker will be respected and given charge of more within this world, which can then be further used to spread The Word of God. A classic example would be of Joseph at Gen.39v3-5, 22-23, etc.

Obviously this verse extends beyond the immediate worldly application.

Paul is speaking again about the spirit/personality/desires/traits which creates the synapse construction mapping retained by Yahweh at our death to be used for our resurrection (either The 1st Resurrection for the 144000 TCs, or at The 2nd Resurrection for the rest of The World) into the 2nd part of our physical life.

Clearly the allegory here in context would be how the slave (= a Christian aiming to be a TC) performs to his master's (= Yahweh's) requirements. Noting by definition, a worldly Christian is a slave to The World, and not to Yahweh!

(Not what our worldly Christian leaders will be teaching to their sadly deluded devotees)!

The slave as this website keeps teaching, must be under the utter obedience to the wishes/desires of The Master.

Thus, irrespective of what our very worldly Christian leaders teach, Yahweh as our declared Master desires us (Christians) to precisely imitate The Golden Standard as laid down by His Premier Son of God being JC's ministry/lifestyle – thus allowing that person to be elected/chosen by Yahweh in His Special/Greater (1st) Judgement for Sonship to occur in The 1st Resurrection at JCg's 1st 2nd C.

This is core Gospel teaching, being The Goal to occur before The Millennium can take place, and sadly because our worldly Christian leaders are not teaching even the basics of 1st century Christianity (or making this possibility occur) as Paul exhorts later in this epistle (2v15, 3v8) then they are not obedient to The Master's Desire and are thus cannot be deemed by Yahweh to be TCs!

Titus 2v10 og not (the) {sequestering (for oneself)}/embezzling/{keeping back}/purloining (middle voice),

Titus 2v10 og but (the) faith/{knowledge/assurance/fidelity} all/whole/every

Titus 2v10 og (the) indicating/declaring/{evident token}/proof {intrinsically good}/{well being}/ideal,

Titus 2v10 og that the {instruction/teaching of information/function doctrine} of the deliverer/saviour {of/from us}

Titus 2v10 og (of the) God (they may) {put in proper order}/decorate/adorn/garnish/trim in (to the) all/whole/every (things).

Titus 2v10 = not personally {sequestering for oneself}/embezzling/{keeping back}/purloining (of what is the master's),

(= do not sequester some of the donations given by the devotees and use the donations for personal self-indulgence – pandemic today)

but be indicating/declaring/{proving oneself} (in) all/whole the {intrinsically good}/ideal faith/{knowledge/assurance/fidelity},

that the {instruction of doctrinal information} of our saviour (= JC)

(= The Word of God as accurately taught by TCs)

they

(= The Resultant of what we do for the edification of the recipients, in our teaching work)

may {put in proper order}/decorate/adorn within all things of the God (Yahweh). (= within the sane/reasoning mind of the recipient)

Not quite as written in many bible translations – but I think what I have written makes more sense, having less contradictions and is still very close to The Original Greek as the reader is able to see for themselves – unlike other bible translations!

There is lot in this verse – being the personal nature of it for each one of us calling ourselves “Christians”.

1. We must not personally:-

1.1. Steal from The Word of God. Meaning we are not be using God's Word as a means to be earning a worldly return of anything (fame/glory/money/favours/sex/any self-indulgent activity/etc) - as we witness performed by the very many charlatan Christian leaders within The World today (Matt.24v23-25, Mark.13v21-23).

1.2. Hold God's Word back from the people (being what The Whole Gospel of 1st Century Christianity really means to those individuals).

Thus as we are told 'we are not to be sparing in what we sow, else Yahweh will be sparing with us' and equally we will have the same charge levelled at us, as JC gave in his parable of The Rich Man and Lazarus (Luke.16v19-31) and the additional warning in context of the wasteful steward (Luke.16v1-10) of which if were wise should occur now for 'protection' in The Millennium! This section applies directly to worldly Christian leaders who shall reap what they sow because Yahweh is not to be mocked (Gal.6v7)

2. Thus we are to personally be proving ourselves as complete in The Real Faith (accurate knowledge + assurance + fidelity) that we as TCs might be setting correct all things in The World by having The Kingdom of God operating within us to ultimately yield a perfect society. Now this will not occur while Satan's methodology rules by operating within those individuals who climb to power in positions of leadership (political, commercial, religious) who operate as according to the spirit of the air (Eph.2v2) to achieve that position. However Yahweh is pulling out the TCs by election, where The Kingdom of God does truly operate within their mind ready for the next stage of Yahweh's Plan to bring about The Salvation to mankind over what becomes our “2 part life” (see glossary).

3. The TCs become responsible to be “putting into proper order”, to “be adorning” which is based upon the word “Kosmos” = Strong's™ = 2889 meaning all life on this planet = The World, being the decoration/adornment placed upon a barren planet. Thus the TCs become responsible for teaching The World righteousness during the 1st and 2nd parts of their physical life. - Where in the 1st part of their physical life the mature TCs perfecting the 2nd part of their spiritual life are bringing forth the next generation TCs as their offering of sacrifice (away from the world) to Yahweh. And in the 2nd part of their physical life (as future Sons of God) they shall be bringing the redeemed Children (of the special marriage [JCg + 144000 TCs]) out from The Resurrected World (as The 3rd Remnant out of The 3rd Epoch of Israel) to Yahweh as their continual sacrifice during their life/existence. As I state elsewhere none of this is taught correctly (up to 2007 CE when this website became live) because quite simply our worldly Christian leaders 'cannot' (rather, 'choose not' – Strong's = 50) mentally grasp what all this means.

Also by operating within The World then they have no 'Driver' to enable them to know/understand this “wisdom” of God (being “Knowledge accurately applied in one's life”).

The Driver should be The Word of God – but actually it becomes The Word of The World that drives them, because they operate within The World – for they have made their home within The World (by word and deed) – because quite simply they choose not to precisely imitate JC's ministry/lifestyle (1Cor.4v16, 11v1, Gal.4v12, et al).

As I often state elsewhere, not all Christian leaders are like this, because in a typical Gaussian distribution of any population we have both 'good and bad' at the extremes and a 'load of average' in the middle. However by election/choosing Yahweh is skimming off The Cream (= the 144000 TCs) who fulfil His Desire by precisely imitating JC's ministry/lifestyle, being The Goal that we are all to aim towards.

The aim is not to be a WORLDLY Christian minister but rather to become a minister of God, not paid by The World to deliver what The World desires to hear (2Tim.4v3), but rather to deliver what Yahweh Desires to hear and we (if successful) shall thus be paid in The Millennium with Sonship!

Thus lay preachers might perhaps be “The Cream” - because they are motivated for no worldly return for what they truly freely give (noting Matt.6v1-10) and thus are demonstrably sincere – having no other driver!

But only Yahweh decides (Matt.20v23) by reading (1Sam.16v7) The Synapse Construction (= the heavenly treasure – see glossary).

3. Obviously the doctrinal information comes from The Word of God which as we know is JC (Rev.19v13), where he gave The Word of God and became The Golden Standard for us Brethren (Christians) aiming to become TCs must precisely emulate. And thus, because JC precisely operated according to “The Word of God” that he unfailingly gave, then he was also known as “The Wisdom of God” (being that he accurately applied in his lifestyle what he knew).

All this we must emulate to correctly fulfil Yahweh's Desire that ideally is to attain sonship during this part of Yahweh's Plan.

Titus 2v11 og (it has) {shined upon}/{lightened over}/{become visible}/appeared/{made known} for the

Titus 2v11 og grace/{gifts/favour}/gratitude/benefit of the God the (One = Yahweh) (the) defending/delivering/saving

Titus 2v11 og (to the) all/whole/every (types) (to the) men,

Titus 2v11 = For the gifts/favour/benefit of the God (Yahweh), the One delivering/saving,

it has {shined upon}/{lightened over}/{made visible} to all the humanity,

For the observant reader this verse must contradict what I state elsewhere being the careful differentiation made between Yahweh and JC with respect to TCs and humans.

Actually not!

We need to get inside Paul's mind especially in the context of this verse.

The previous verses start by saying we are to be an intrinsically good pattern (v7) so that those persons who feel threatened around about cannot sling any mud at us through actual or implied character assassination (v8). We are to become bond-servants to Yahweh and fulfil His Desire (v9) by not sequestering returns or be {holding back} His Word to The World (v10).

Now we have this verse (v11).

It speaks of The TCs becoming like shining luminaries (precisely as JC teaches of his disciples) to teach all The World without prejudice about The Word of God being the gifts/favours/benefits that come from having The Word of God operating within us, so that:-

Those persons of mankind might be saved/delivered by imbuing The Word of God within them.

Thus it ultimately becomes Yahweh Who is The Saviour into The Eternity.

But it was JC who became **The Means/Enabler** to **righteously** allow Yahweh to use His capability expressed as the HS in a manner to provide that ultimate salvation for those individuals who ultimately choose to precisely imitate The One (= JCG) who became The Means/Enabler to get us into the 2nd part of our life (both 2 part spiritual and 2 part physical).

Can the reader understand this?

If you can – then you do well! – Because our most worldly educated Christian scholars/theologians cannot understand this because they still a beholden to the Trinity myth, of hell and purgatory (and a host of other ridiculous myths cumulated over the last 1800 years for self-indulgent reasons – in like manner as did The Pharisees over a similar such an 'equal' period of time)!

Thus it is the responsibility of TCs to teach/educate of this salvation and The Means to it for all humans (without favour), so that all people have the opportunity to grasp for it! And we are to teach all humans irrespective of what they think or believe. But sadly, it seems to be politically correct in modern times to keep our mouths shut and not to accurately teach The Word of God to those persons outside Christianity – which obviously fulfils Satan's desire!

But JC and his apostles were not worldly politically correct, while avoiding worldly politics like the plague - they were not 'respector of persons' (Luke.20v21) and thus taught The Word of God to all persons who were interested – being how to behave and imbue The Word of God so that we might enter the 2nd part of our spiritual life (operating within us) – ready for the 2nd part of our physical life that is to occur in The Millennium.

Titus 2v12 og (the) {training up a child}/educating/disciplining/chastening/instructing/teaching us/our/we that

Titus 2v12 og (the) contradicting/disavowing/rejecting/abnegating/denying/refusing (middle voice, plural)

Titus 2v12 og the impiety/wickedness/ungodliness also the World/Adornment/Decoration (= all life on this planet)

Titus 2v12 og lusts/{forbidden desires/longings}/concupiscences;

Titus 2v12 og {with sound mind}/moderately/soberly also equitably/justly/righteously also piously/godly

Titus 2v12 og (we should) live/exist in to the now/present/immediate age/perpetuity/{Messianic period},

Titus 2v12 = the training/educating/disciplining/chastening/instructing/teaching us (= TCs) (= via Yahweh's interaction with us)

that (we) having personally contradicted/rejected/abnegated/refused

the impiety/wickedness/irreverence/ungodliness also the worldly lusts/{forbidden desires}/concupiscence,

(so that) we (= TCs) should live/exist {with sound mind}/soberly,

also equitably/justly/righteously, also piously/godly within the present/immediate age.

And another important verse!

1. We who are aiming to become TCs must be trained/disciplined/chastened to avoid/reject all forms of impiety/irreverence/ungodliness noting also what Paul tells us at Heb.12v5-13. This is done precisely as Paul told us in the previous verses, by being a working slave who fulfils his Master's Desire – which means we must know what is Yahweh's Desire really (and it is not what our worldly Christian leaders tell us through "Religion" – see glossary).
2. It means we are to imbue The Word of God within us to become that specific pattern for others to accurately emulate – of which Paul told us by word and deed to imitate JC's ministry/lifestyle. Then we become That Beacon which shines (v11) The Word of God upon The World so that other persons might accurately imitate us as we accurately imitate JC (1Cor.4v16, 11v1). Again – nothing is to be taken out of context.
3. By doing this, our spirit/personality/desires/traits become refined/reformed (1Cor.3v13), and equally having no time to self-indulge within The World then, as this verse states, we "avoid/reject all forms of impiety/irreverence/ungodliness also The Worldly lusts/{forbidden desires}/concupiscence - because quite simply we do not have time to do it – when imitating JC's ministry/lifestyle! The focus has been removed off The Worldly inducements, and into The Missionary Work (which might only be in our local neighbourhood), thus simply we do not have the time to consume in worldly self-indulgences!
4. Therefore by doing this, we become a faithful ambassador for Yahweh just as was JC. Clearly as this verse tells us we live/exist with sound mind (= not rolling around on the floor supposedly 'slain in the spirit' like demon possessed persons of other worldly religions) and a mind operating equitable/righteously according to what Yahweh's Word requires. Thus we live piously/godly in the present age.

Consequently by doing these things, then The Kingdom of Heaven/God is working within us – just as JC told us on numerous occasions in the gospels (for example Luke.17v21). The Kingdom of Heaven/God is not working within us if we are like a wave (James.1v6-8) tossed about on the sea (of tempestuous mankind) blown about by the spirit of the air (Eph.2v2) being Satan's methodology operating within The World today. Yahweh as we are told in that quote of James, cannot work with them! And irrespective of what our worldly Christian leaders teach to the contrary – we will not have Yahweh's HS operating within us because we are not operating with the one/same "spirit/personality/desires/traits separate from this world of sin" (= the "HS"). Quite logical! Thus we realise from the much nonsense as taught by worldly Christian leaders, Yahweh is working in parallel to them – where they, like The Pharisees merely provide a continuum out of which Yahweh is able to draw out His "Early Adopters" (The Prophets from out of The Jews and The TCs out of The Christians).

Thus we understand that it is by having The Vista of The Millennium in our mind's eye, driven by the one/same spirit/personality/desires/traits as that of JC then we, as TCs becoming The Heirs, shall receive The Inheritance (see glossary) being The Complete Fulfilment of The Promise given to Abraham as future Sons of God.

Which leads us very nicely into the next few verses – being The Driver that kept Paul going through his persecutions.

Titus 2v13 og (the) {admitting (into an intercourse of hospitality/credence/endurance)}/awaiting/allowing/looking (mid.voice, plural)

Titus 2v13 og the {supremely blessed}/fortunate/{well off}/{very happy} (the) anticipation/expectancy/confidence,

Titus 2v13 og also (the) manifestation/{memorable event}/advent/appearing of the glory/honour/dignity/worship

Titus 2v13 og of the big/large/mighty/exceedingly/great (of the) God also (the) deliverer/saviour {of/from us}

Titus 2v13 og (of the) Jesus (of the) Christ/Messiah/Anointed,

Titus 2v13 = The (persons) personally awaiting/{looking forward}

(towards) the {supremely blessed}/very happy} anticipation/expectation/confidence,

also the manifestation/{memorable event}/advent/appearing

of the glory/honour/dignity/worship of the mighty/exceedingly/great God (Yahweh),

also of our deliverer/saviour of the Jesus of the Christ/Anointed.

An important verse and we might ask:-

So what does this all mean – and is it consistent to what this website states throughout?

Obviously the answer to the second part of the question is - Yes!

But let us understand what it all means (in context with the previous verses, and holistically to what The Bible teaches us).

Paul cannot be speaking about everyone because:-

1. Atheists do not know about this knowledge in The Bible to then be in the position to “believe in it”!
2. People of all worldly religions do not know about this knowledge within The Bible to then be in the position to “believe in it”!
3. Some worldly Christians are in the same position as those in (2) so they likewise, they cannot “believe in it”!
4. There are so very many worldly Christians who think they “believe in it” but being like the 5 foolish virgins (Matt.25v1-12), they shall be caught out like a thief coming in the night (Luke.12v39).

We are now rapidly running out of options and we might ask:-

Who are the persons {looking forward} for The Expectation, being The Advent of JCg’s 1st 2nd C (being JC’s 2nd Advent).

5. Only the 144000 TCs who were watching/auditing themselves against The Requirement as given by The Word of God are those very specific individuals who become represented by the 5 wise virgins, being those persons who are prepared to know precisely when (1Thes.5v1-2).

Again we must ask:-

What does all this mean?

Paul led up to this crescendo of reasoning for “The Expectation”.

It is those very specific persons who precisely imitate JC’s ministry/lifestyle for no worldly return, putting all their spare time (outside secular work and quality time with the family) out in The Ministry Work to freely (without strings attached = real charity), edify the spiritual nature of all humans (irrespective of the initial beliefs), so that they all might be in the position to understand why/how to fulfil Yahweh’s Desire. It is these specific persons (deemed by Yahweh as TCs) who have filled their lamps with oil and thus effectively are looking forward with fervent anticipation for The Expectation of The Inheritance to become future Sons of God where as we are told in 1Thes.4v13-18 how this is to occur at JC’s 1st 2nd C being The Advent written about here.

The TCs who have this anticipation are “{supremely blessed}/{very happy}”.

But it is not a vain “hope” as we are taught by our leaders of “Religion” - being merely what it means to them!

But rather it is only the TCs who put in the accurate ministry of precisely imitating JC, who likewise have the same “expectation” as did JC. Why?

Because it is only the TCs who are internally driven by “the same expectation” that comes from fully imbuing/inculcating The Word of God!

And it is this - that Yahweh is able to determine (1Sam.16v7).

It is this one/same spirit/personality/desires/traits upon which Yahweh reciprocates - where these TCs are to become future sons of God when JCg comes to collect his metaphoric bride of 144000 members. To become a future Son of God with full access and use of Yahweh’s infinite power of capability which is expressed as the HS into the eternity to further His Desire is the most wonderful thing that any entity of this universe can achieve during their existence.

TCs have “The Anticipation/Expectation/Confidence” because they put the work in first as workers in Yahweh’s vineyard of The World, knowing they will have achieved sufficient heavenly treasure to be “deemed entirely worthy” by Yahweh to be responsible enough (training/learning in small things as the 5 and 2 talent stewards) to accurately fulfil His Desire in The Millennium to teach The Inheritance (= the resurrected world) righteousness. The Manifestation/Advent is the 1st 2nd C of JCg coming to collect his bride to become Yahweh’s 144000 sons of God (as described in 1Thes.4v13-18). Where JC became our (and the rest of The World’s) deliverer/saviour from The 1st Death by his ransom sacrifice, but also because it was the TCs who fully imbued The Word of God being JCg to become a presence/parousia operating within them to precisely imitate JC’s ministry/lifestyle. Thus JCg’s presence/parousia was living within them through their lifestyle precisely imitating him, which is precisely why the “presence/parousia/coming” becomes coming/parousia because JCg collects them at his 1st 2nd C (see glossary on all these terms).

Can the reader see how all this precisely interlocks with each other?

Rather than having all the links destroyed by misguided worldly Christian doctrinal teaching of the last some 1800+ years!

Obviously, The Entity that made all this possible for this most wonderful once only spectacle would be Yahweh using His capability (being His Desire made manifest within The Environment = the HS) and thus all “glory/honour/dignity/worship of the mighty/exceedingly/great God” is displayed at this event (Matt.24v27, Luke.17v24).

Titus 2v14 og who/which/that (he) gave/bestowed/granted {my/our/your/it them self} (= himself)

Titus 2v14 og over/above/beyond/{for the sake of}/{behalf of}/instead {of/from us},

Titus 2v14 og that (he might) {to ransom}/redeem us/our/we off/away/separated/from (of the) all/whole/every

Titus 2v14 og (of the) violation/lawlessness/transgression/wickedness,

Titus 2v14 og (the) zealous/earnest (of the) beautiful/virtuous/good/valuable/worthy

Titus 2v14 og (of the) {occupational efforts}/doings/works/labours/deeds.

Titus 2v14 = (Jesus Christ) who gave himself {for the sake}/{on behalf} of us,

that he (= JC) might ransom/redeem us off/from of the every violation/lawlessness/transgression (made in the 1st part of our life)

also he (= JC) might {to cleanse}/purge/purify to himself (= JCg) (= The “Early Adopters” out of The Christina Nation)

the {over existing}/{being beyond}/{a special}/peculiar populace/{grouping of people}, (= the 144000 TCs out of The Gospel Age)

(being) the zealous/earnest of the beautiful/virtuous/valuable/worthy {occupational efforts}/labours/deeds. (= precisely imitating JC)

This is The Key verse that Paul has built himself to this culmination in his exhortation to Titus - for him to mature and become a TC.

Paul is saying to Titus:

JC did all this for us (in particular for the TCs who recognise what he did and then emulate it) to become The Ransom Sacrifice us from the violation/lawlessness/transgression of the 1st part of our spiritual life (which we in ignorance, performed in the 1st part of our physical life).

It is the TCs who truly recognise this, and thus in response, they truly “believe in JC” to precisely replicate what they know.

Because TCs truly “believe in JC” (to precisely imitate him to fulfil Yahweh’s Desire), then they enter the 2nd part of their spiritual life fully purged/clean and remain purged/clean as they actively personally purify the 2nd part of their spiritual life upon The Word of God and thus they do not return back to The World (v12) – (to become “worldly”)

Thus JC has given them a new clean start (being a “Reset” condition), and it is only the 144000 TCs who have kept themselves clean to be in the position to be ready/watching in the same manner as did the 5 wise virgins (Matt.25v1-12) to become The New Populace alongside JCg – as The Bride of Christ (= to be in The Position of Anointed)

The TCs have kept themselves clean because their spirit/personality/desires/traits have truly become the one/same as that of JCg, which has reformed/readjusted the connections/weightings within the synapse construction mapping to be ideally suited for sonship – as did JC

by showing The Way for his metaphoric bride (presently as his fleshly body operating upon this earth through his presence/parousia within it) to follow through in The Gospel Age of some 2000 years.

Notice Paul's use of: "**{over existing}/{being beyond}/{a special}/peculiar**" to explain what type of people these persons are to be.

Noting that also Peter uses the same expression at 1Pet.2v9 – so obviously this is the common theme in their 1st Century Christianity!

The Greek Word means: "**{over existing}/{being beyond}**". So these persons are different to all other humans, and they are to become "over" all other humans, "beyond" what other humans can become – precisely as Peter recognised at 1Pet.5v4.

As Paul tells us at 2Tim.4v6-8, they are to become kings/priests to rule "**over**" all the resurrected humans during The Millennium.

And by becoming future Sons of God they will have powers and positions far "**beyond**" what any resurrected human might achieve.

Thus as the KJV Bible translates it out to be a "**peculiar**" people – being different to the normal resurrected people – blessed of The 1st Resurrection (Rev.20v6) which occurs at JCg's 1st 2nd C some 3.5 years (plus 45 days – Dan.12v11-12) **before** the onset of The Millennium (when The 2nd Resurrection shall begin for all worldly persons).

As I state elsewhere – **none** of this is taught by worldly Christian leaders because they choose not to understand it – else surely they would teach it!

The reason **why** they do **not** teach "1st Century Christianity" is because of the last phrase of the verse:-

"(being) zealous/earnest of the beautiful/virtuous/valuable/worthy {occupational efforts}/labours/deeds."

Quite simply – worldly Christian leaders are not!

And **if** they taught it then they would be shown to be hypocrites – because quite simply they do **not** have the one/same spirit/personality/desires/traits as that which operates within Yahweh, JC and the TCs (John.14v20, 17v21-26).

So instead they teach a lie! "You are not saved on works!"

Which is **directly opposite** to what Paul teaches us (here and everywhere else)!

TCs are saved through being "**deemed entirely worthy**" by Yahweh through {occupational effort}/labour/deeds during the 2nd part of their spiritual life because they choose to do it early in the 1st part of their physical life.

All other persons leaving it to the 2nd part of their physical life will equally be accessed on their {occupational efforts}/labours/deeds and failings by missing The Mark (of what is required) will lead to The 2nd Death of annihilation!

Please read my dissertation entitled: "What is the Difference between Life and being Saved?"

Please note some references to support what is being stated here.

Importantly notice the differences between the 3 Epochs of Israel and what The Remnant means as it is taken out of the 3 Epochs of Israel.

(Psm.130v8, Eze.37v23, Deut.14v2).

(Isa.10v20-22, Isa.37v31-32, Jer.15v11, 23v3, Mic.5v3-8, etc).

Titus 2v15 og These (things) (you) speak/utter/say,

Titus 2v15 og also (you) {call near}/{invoke by imploration}/beseech/exhort/entreat/urge,

Titus 2v15 og also (you) confute/admonish/convict/convince/{tell a fault}/rebuke/reprove amid/together/with

Titus 2v15 og (of the) all/whole/every (of the) injunction/decreed/authority/commandment.

Titus 2v15 og {Not even one}/{No one}/None thee/thy/thou/you

Titus 2v15 og (let he/she) {to think beyond}/{to over exercise the mind}/depreciate/despise.

Titus 2v15 = You speak these things, (= The Real Gospel of 1st Century Christianity – never taught by leaders of "Religion")

also you beseech/exhort/urge, (= encourage other people to become TCs – so that Yahweh might achieve 144000 sons of God)

also you confute/admonish/convince/reprove with every injunction/decreed/authority. (= Confute worldly Christian leaders)

Let {no one} depreciate/despise (singularly) you (Titus)!

Thus Paul exhorts Titus to teach of The Goal being that of Sonship - by becoming one of those "peculiar" peoples because this fulfils Yahweh's Desire.

Yahweh is most desirous for His 144000 **new** sons of God which **must** occur prior to the end of The Gospel Age **before** Yahweh can **righteously** move to the next stage of His Plan for human salvation. These are those very special people who He foreknew before humans were created by His son JCg some 6000 years ago.

Sadly our worldly Christian leaders are **actively holding back** The Day when this is to occur – because they **refuse** to do as Paul commands here in this last verse – "to speak of these things" "To urge people to become TCs by imitating JC's ministry/lifestyle", "to confute/admonish/convict/convince/reprove with every commandment" those persons who do **not** teach of this, or twist/distort God's Word as contained within The Bible for their own self-indulgent desires.

That is **why** I teach all these things – precisely as urged by Paul on this website – to fulfil Yahweh's Desire.

Because: What religion within The Gamut of "Religion" does this? – **None!**

The fact worldly Christian leaders neither do likewise, puts them in the same big camp of false worldly religions!

And sadly, because Titus is to teach these things, then likewise he will become deprecated and despised (by those leaders who feel threatened by his righteous teaching) – just as occurs to all TCs throughout The Gospel Age of some 2000 years!

And while this epistle is specifically written to Titus, we should consider why this has been written by Paul. It has been written to encourage Titus to become the next generation of TCs thereby fulfilling Yahweh's Desire. And thus surely, we should likewise be aiming to fulfil Yahweh's Desire, and thus realise that this letter is specifically written to us - as individuals. Thus we are to replace "you" with our own name, and do what Paul has instructed of Titus, and as I have exhaustively explained within my commentaries alongside – so that we should be encouraging people to fulfil Rev.18v4 because 1st Century Christianity becomes The Bright Light to remove the darkness of "Religion" thereby fulfilling Matt.24v14.

This is what Yahweh has instructed of us!

So I must ask:

Do we wish to fulfil "Yahweh's Desire which is pure/blameless/{separate from this world of sin} being made manifest within The Environment" – or rather blaspheme against the "HS"?

Titus 3v1 og (You) {to remind quietly}/{suggest to the (middle voice, one's own) memory}/{bring to (put in) remembrance}

Titus 3v1 og them (to the) commencements/chiefs/powers/principalities/rulers

Titus 3v1 og also (to the) privileges/competencies/freedoms/capacities/authorities/powers

Titus 3v1 og (to be) subordinate/subject/{under obedience},

Titus 3v1 og {to be persuaded by a ruler}/{to submit to authority}/{conform to advice}/hearken/obey,

Titus 3v1 og toward/nearness/{accession to} all/whole/every (the) {occupational effort}/doing/work/labour/deed

Titus 3v1 og (the) {intrinsically good}/{well being}/ideal (the) fitness/adjusted/prepared/readiness {to be/exist}.

Titus 3v1 = You (= Titus) {Remind quietly}/{Bring to remembrance} them (= The Brethren)

to be subject/{under obedience} to the chiefs/rulers/sovereignities,

also to be {submitting to authority}/hearkening/obeying to the privileges/authorities/powers,

to be/exist adjusted/prepared/ready towards all {intrinsically good}/ideal {occupational effort}/labour/deed.

This verse shows The Lie we are told by our worldly Christian leaders that:

"Christians are to participate in demonstrations/politics (which is always confrontational) in this world!" – As all the evidence shows!

This disruption makes Satan happy because it causes fractions and painful results.

But most importantly it stops Christians from becoming TCs to achieve that trigger threshold of 144000 (leading to Satan's confinement), because they are fostering a confrontational mindset (= worldly) rather than being in subjection to Yahweh as required in The Millennium. Thus the Brethren aiming to become TCs through {intrinsically good}/ideal (charity) work are to preach The Gospel as The Goal for everyone, which is precisely why I t is essential to keep out of Satan's worldly affairs.
The Reason:

By committing our time in worldly politics, we become embroiled in worldly affairs and the 'necessary' back scratching that always occurs within all worldly organisations (including the higher levels within all worldly religious establishments). But by contrast the TCs are to preach and operate under 1st Century Christian principals, to guide others, for example, humanists to do what they deem fit (and answer for it later)! Satan desires strife and enmity within the human race selfishly doing what it sees best in its own eyes. Satan does not want time used in accurately preaching/teaching the Gospel Message in both word and deed (thereby becoming Christ-like)! It is through the accurate implementation by everyone of the Word of God that will remove the social interaction problems within The Present World. This is what will occur within The Millennium under the jurisdiction of JCg supported by his 144000 Kings/Priests with infinite power to do as they please to bring righteousness into The Environment.

The TC must stand out of this worldly mire to present the clear message – this is exactly what JC and all the apostles did: – They avoided worldly politics like the plague and many examples within The Bible show this!

The TC must do likewise. Else we become a worldly Christian – involved in worldly matters!
And therefore no good to the fulfilment of Yahweh's Plan for Human Salvation!

The Bible makes this so very clear in many places (which I shall show in my "Concordance of Topics")!

As a TC we are not expected to hunt out people to physically help them materially, but if they are presented to us "by perchance" (as The Good Samaritan Parable tells us – see my local commentary Luke.10v30-36) – there is much more in that parable than worldly Christian leaders teach us), then we are to materially help them! But we are instructed to use all our time to search out people and spiritually help them through their life (and as a possible entry for the future promise) by preaching the correct message (thus not having any spare time to materially help them).

This is a very subtle differentiation, and is not understood within this world – because Satan is deliberately distorting everything to sow confusion within everyone's minds by setting false and illusionary goals! We must understand that "The Mind leads The Body" and we are first to get The Mind correct on 1st Century Christianity – and most certainly not lost in The Fog of unrighteous nonsense created by "Religion" with regard to Mankind's Salvation!

It is incumbent upon a TC to be sober/be clear minded (Titus.2v12) and see through this 'deceptive fog' put out by leaders of "Religion".

In summary it is absolutely essential for a TC to be completely neutral in worldly affairs else personal feelings distracts other people from The True Message preached and taught, because perceived worldly views of the listener will colour the reception of the message preached/taught.

See Heb. 12v14 for a more detailed explanation.

We should also notice Paul's concurrent teaching at Rom.13v1-5 on this matter – again all ignored by worldly Christian leaders!
Which makes me wonder what 'bible' they read!

Titus 3v2 og {Not even one}/No one}/None (person) (to) vilify/{speak impiously}/defame/revile,
Titus 3v2 og {not fighting}/peaceable/{not quarrelsome} {to be/exist},
Titus 3v2 og appropriate/mild/gentle/moderation/patient/reasonableness,
Titus 3v2 og all/whole/every (the) indicating/showing/displaying gentleness/humility/meekness
Titus 3v2 og toward/nearness/{accession to} all/whole/every (the) men.
Titus 3v2 = {No one} (= The Brethren) to vilify/{speak impiously}/defame (other persons),
{to be/exist} peaceable/{not quarrelsome},
mild/moderate/patient/reasonable,
displaying/showing all/every gentleness/humility/meekness towards all men.

Just stating the obvious – The Brethren aiming to become TCs must behave like this every second of their existence.

Those persons who do not behave like this every second of their existence cannot be "deemed entirely worthy" by Yahweh as TCs!

I need say no more!

Titus 3v3 og was/were for {sometime past}/then/previously also {we ourselves} (the) unintelligent/foolish/unwise,

Titus 3v3 og (the) {to hate}/odious/hateful (plural), (the) hating/persecuting/detesting (plural)
Titus 3v3 og (the) {one another}/mutual/together.
Titus 3v3 = For {we ourselves} were also then/previously unintelligent/foolish/unwise,
the {not persuadable}/contumacious/disobedient,
being deceived/seduced/{led astray},
serving/slaving to the various/divers lusts/{forbidden desires}/concupiscence
also pleasing/delighting/{self-gratifications},
{leading a life}/living within the badness/depravity/malice
also in {ill-will}/jealousy/spite/envy, the hating, persecuting/detesting the {one another}.

Paul states about himself and other TCs inclusively:

For we were also:-

Foolish/unwise to the fulfilling of Yahweh's Desire.

{Not persuadable}/disobedient to the fulfilling of Yahweh's Desire.

Deceived/seduced/{led astray} to the fulfilling of Yahweh's Desire.

We were not fulfilling Yahweh's Desire because:-

We were subject to various lusts/{forbidden desires}/concupiscence for our self-indulgence.

We were subject to pleasing/delighting/{self-gratification} for our self-indulgence.

We were living in badness/depravity/malice for our self-indulgence.

We were living with {ill-will}/jealousy/spite/envy for our self-indulgence.

We were hating and persecuting/detesting one another for our self-indulgence.

We all have been like that at some time in our life, and thus we have failed Yahweh's Desire in the 1st part of our spiritual life. We must make that jump from operating as a person trapped by the ideology of the 1st part of our life and move into the 2nd part of our spiritual life.

Once we have made that jump at baptism from the 1st part of our spiritual life into the 2nd part of our spiritual life then we must not sully/dirty/blemish ourselves again by behaving at any point of time in our new 2nd part of our spiritual life like we did before making this change.

Yahweh is making That Special/Greater (1st) Judgement upon the synapse construction of all Christians, where clearly He still has not claimed His 144000 trigger threshold to herald in The Millennium – that is precisely why we are still waiting for JCg to come at his 1st 2nd C and The Millennium to be introduced.

This means there are still places to be filled for YOU on that listing within The Scroll of (Guaranteed) Life.

However the positions are almost filled because JCg will be coming at his 1st 2nd C relatively soon (at the time of writing this revision 2010 CE). Please read “Yahweh’s Desire” and “Satan’s Desire” in glossary to understand precisely what is occurring on this planet at the end of The Gospel Age. Sadly there are so many Charlatan Christian leaders all around The World giving out the wonderful ‘sound-bites’ that the members of their congregations are fulfilling Yahweh’s Desire - when by what The Bible states here and elsewhere - then quite clearly they are not! Obviously these members of the congregations are sincerely desirous to fulfil Yahweh’s Desire (Rom.16v17-18) but their charlatan Christian leaders stop (Matt.23v13) the full maturing process into adulthood (required by feeding on solid food as Paul teaches us is required to understand how ultimately to fulfil Yahweh’s Desire). The innocent members of the congregations (knowing of nothing else) go to these charlatan Christian leaders (Matt.24v23-26) who affirm what the members desire to hear (2Tim.4v3) and have a wonderful (worldly) time saying ‘nice pleasantries’ thinking they are ‘worshipping God’ – sadly they are not truly worshipping God.

Yahweh is presently only desirous of people who imitate Paul as he imitated JC (1Cor.4v16, 11v1, Gal.4v12, Phil.3v17, etc).

Thus these charlatan Christian leaders are seducing/deceiving/leading astray humans in their Race analogy (of Paul’s at 1Cor.9v23-26) to stop running because as falsely claimed by their leaders these runners can rest from exertion because the race is complete! Sadly by stopping from exhausting ourselves to grasp out for The Prize that can only come from finishing The Race means that we cannot be achieving Yahweh’s Desire – being The One who officiates in the race (2Tim.2v5) to ensure The Rules (as laid down by JC for sonship) are obeyed.

Thus is a dire warning to protect those many innocents from their charlatan Christian leaders who have caused their congregations to stop running! I am asking you to personally get up and start running again with all your might, to keep imitating Paul as he imitated JC so that you might just be accredited with a most wonderful prize of possible sonship to Yahweh awarded at the beginning of The Millennium (where most importantly you have fulfilled Yahweh’s Desire to the very best you were able)!

This is possible – but we together must get up again and start running with The Word of God imbued and then personally to accurately broadcast this knowledge to The World so that other people might equally become TCs to heap evermore real praise and worship to Yahweh through their words supported by deeds in sacrificial offering!

Titus 3v4 og {at which too}/when and the usefulness/excellence/gentleness/goodness/kindness
Titus 3v4 og also the {fondness of mankind}/benevolence/“philanthropically”/kindness/{love toward men}
Titus 3v4 og (the) {shine upon}/{lighten over}/{become visible}/appear/{make known}
Titus 3v4 og of the deliverer/saviour {of/from us} (of the) God,
Titus 3v4 = And when the usefulness/excellence/goodness/kindness

also the {fondness of mankind}/philanthropy/benevolence {shine upon}/{lighten over}/{become visible}
of our deliverer/saviour (= JC) of the God (Yahweh).

Paul now goes on to speak about The Change made upon TCs when they entered the 2nd part of their spiritual life, which must shine upon all humanity without prejudice and favour (= true charity without strings attached to be given to edify humans to fulfil Yahweh’s Desire).

This is done as we are told here - by the TC accurately representing Yahweh’s true nature (= spirit/personality/desires/traits which is pure/blameless/ {separate from The World of sin} = the HS).

It is interesting how this verse can translated!

Standard translations spin the translation to shove “God” upwards into the “benevolence” and lump everything together.

I choose not to do this, and thus arrive at this conclusion through a subtly different route consistent with the righteous/holistic teaching of The Bible:

Option 1 – plausible as substantiated above.

Because The Pointer is based upon TCs, then it points directly to Yahweh Who becomes The Saviour to the TCs by resurrecting them (through election/choosing as favourites) unto guaranteed everlasting life as future sons of God.

Obviously I make the point again, that Yahweh could not righteously operate against His Decree on sin (Gen.2v17) that basically states:-

In the day you sin you will (begin to) die (everlastingly).

It was only because JCg became The Enabler/Mean through him being The Ransom Sacrifice upon which we all must ultimately imitate over our two part life at a personal level if we are to have eternal life.

It is because TCs make the jump during the 1st part of their physical life, that they become placed into the position to have the opportunity of being elected by Yahweh to become like JCg upon his resurrection = a future son of God who can never die. This is a once only opportunity – hence “the gnashing of teeth” by those (worldly Christian leaders) who upon their awakening into The Millennium (into perfected fleshly body to learn righteousness) have The Dawn of Realisation come upon them - that they had The Most Perfect Opportune Gift (of sonship to be like JCg) from Yahweh available in the palm of their hand and yet, they personally threw it away like trash!

Option 2 – being an equally reasoned possibility.

The Saviour from the 1st part of our physical life would be JC (inasmuch without JC’s intervention) then none of us would have a 2nd part of our physical life – quite simply Yahweh could not righteously resurrect us according to His Decree (Gen.2v17). And we realise that The Saviour could only come from “of the God” - being The God of The Universe – to Whom – all entities within this Universe ultimately respect in awe His Authority.

And thus we realise that JC so loved his creation, so that as The Son of God, he gave his life so that all those persons who choose to truly believe on him shall have everlasting life (John.3v16 – correctly translated on “ho theos”).

Thus we understand that it was (1) JC who got Paul into this position to become (2) phileo/affectionately loved by Yahweh.

So how do we understand this verse?

Actually both understandings are correct through the correct understanding of this verse as I give – but both are lost into an unrighteous smudge with our worldly Christian inspired translations!

Sadly we cannot trust our worldly translated bibles at these key doctrinal positions!

And now we enter the next verse – subjected to worldly doctrinal spin!

Titus 3v5 og No/Not/None {from/out of} (of the) {occupational efforts}/doings/works/labours/deeds of the (persons)
Titus 3v5 og in (the) righteousness/equality/justification {of whom/which}
Titus 3v5 og {had done}/made/produced/yielded/performed/provided/practised {we ourselves},
Titus 3v5 og but down/accordingly/intensely/against the (of the) him (the) {have compassion}/{shown mercy}
Titus 3v5 og (he) delivered/saved/protected/healed/{made whole}/preserved us/our/we,
Titus 3v5 og through (reason of) (of the) {a bath}/baptism/washing
Titus 3v5 og (of the) {anew generation}/{spiritual renovation}/{Messianic restoration}/regeneration
Titus 3v5 og also (of the) renovation/renewing (of the) spirit/personality/desire/traits

Titus 3v5 og holy/pure/blameless/{separate from this world of sin} (=HS).

Titus 3v5 = Not {from out of} of the person's {occupational effort}/labours/deeds
in righteousness/equality/justification (to God's Word) {of which} {we ourselves} do/make/yield/perform/practice,
but according to His (Yahweh) {having compassion}/{shown mercy}, (= by election/selection out of The Christian Nation)
He saved/protected/preserved us (= TCs),
through reason of the Baptism/washing of {generation anew}/{spiritual renovation}/regeneration,
also renovation/renewing of the spirit/personality/desires/traits holy/pure/blameless/{separate from this world of sin} (= the HS).

I really need to work overtime on this verse to untangle it out of the clutches of our worldly Christian leaders' spin (that would make our political spin doctors give applause)!

This verse is one of the **most grossly twisted** by worldly Christian leaders in their attempt to **destroy** God's Word for Human Salvation!

What an accusation!

'How can I/you justify it?'

Very easily - by using specifically what The Bible teaches us in context (further supported by my most accurate "Concordance of Topics")!

Please let me explain my exegesis - and I am most desirous for the world's very best theologians to contend this - if they are able, so that I might have more material with which to publicly analyse on this website word by word (as instructed by Paul in Titus.1v13) - noting the terms and conditions given off the home page.

There are two aspects of my claim:

1. Gross distortion of what God's Word really means!
2. How false teaching attempts to destroy God's Word that ultimately leads to Human Salvation.

Restating what our worldly Christian leaders' exclaim (in isolation of what else The Bible states on the subject) so that we all know precisely upon what we are reasoning:-

"Works do not save you - only the love of JC."

Which infers:-

"It does not matter what you do, but the love of JC will save you!"

Which further infers:-

"Eternal life comes to us because JC loves us."

Which concludes as:-

"I only need to 'believe in JC for me to have eternal life.'"

Where:-

"If I state to everyone: 'I believe in JC' and attend congregations that do all manner of 'wonderful things' in the name of JC this then fulfils my part of 'the contract'."

This is **The Distorted Truth/Lie** which worldly Christian and the worst, being charlatan Christian leaders promote and they **will** be held personally accountable in Yahweh's Special/Greater (1st) Judgement being made upon them today and every day while they exist in the 1st part of their physical life!

But surely these lines of 'logical deduction' seem correct on the face of it; - do they not?

Yes! - But **only** because it is based upon what the congregations are taught, being cut-down bibles having passed through the mincer of Rev.22v18-19, consisting **only** of the 'sound-bite' indulgences within the mind of the worldly Christian leader!

What word is used in the epistles?

"ergon" to mean "{occupational effort}/labour/work" Strongs™ = 2041 - mentioned almost 100 times.

And another word meaning:-

"poleo" to mean "do/make/produce/yield/practice" Strongs™ = 4160 - mentioned well over 100 times

Where these words and other 'working' words (I could have quoted in addition) are used in the context of fulfilling Yahweh's Desire.

Actually these passages are mainly ignored by worldly Christian leaders in their sermons because they do **not** wish to give out the idea: "People **are** to work at fulfilling Yahweh's Desire" which would immediately contradict the general theme they errantly give that God (supposedly) 'loves us' irrespective of what we do, and is (supposedly) 'seen within us' (another absolute lie - in the manner portrayed, as I cover in detail elsewhere).

So already the presented exegesis of worldly Christian leaders is appearing thin and ragged, with holes and cracks appearing!

Interestingly, something that worldly Christian leaders avoid like the plague in their sermons is that those very specific humans who personally fulfil Yahweh's Desire are to expect pain/suffering/affliction for merely **precisely imitating** JC's ministry/lifestyle in "occupational effort".

But worldly Christian leaders are quite capable of proposing that humans naturally suffer/affliction by being 'a Christian' which is a another distortion because the affliction is supposed to occur from **ONLY** imitating JC, not by "nestling in with The World" and suffering the consequences of self-indulgence thereof from operating according to worldly methodology!

Also interestingly this is what all worldly religious leaders (= leaders of "Religion") state as an outcome by belonging to their own religion, which is merely the results of living and making "a home within The World" - just as do atheists (but they accurately attribute it to merely living within a worldly society - without having knowledge of The Goal)!

So when I analyse what worldly Christian leaders state in their sermons or in their 'pearls of (worldly) wisdom' over the media, I seem to find that a worldly Christian leader need only open their mouth and in every period consisting of a few sentences, they produce one errant statement when they twist/distort/muddle God's Word because quite simply they just do **not** understand it within the unrighteous mess of their worldly crystallised 1800+ year old doctrine!

The only thing they get correct are precise quotes out of The Bible - but if they stray from that, then they become bogged down in quicksand - being upon what their blind faith is built (Matt.7v24-29 - but also note the context of this quote being the whole chapter 7 of Matthew being most applicable here when speaking of our leaders of "Religion")!

So what does The Bible really mean on this subject?

Paul tells us!

Being able to take a few quotes from this small epistle alone, where we must remember these TCs (Paul and Titus) where not paid for this, nor were they receiving nice pensions - but perhaps only receiving some food-bags or second-hand clothing for their troubles (Acts.18v1-3. 2Thes.3v6-12, etc).

Please consider these examples from this epistle:-

1v1 - Paul is an apostle (= appointed to tell) and thus **he must go out and tell people** - this is hard work especially if they persecute us!

1v3 - Paul is appointed as a herald by command of God - thus he must go out and **herald** The Word of God - this is hard work especially if they persecute us!

1v5 - Paul instructs Titus to remain in Crete to set up the Ecclesia - this is hard work especially when he must sort out persons who might desire to lead for self-indulgent reasons and are thus totally unsuitable as explained in the subsequent verses.

1v11 - Titus must gag dissident persons and stop them from taking office - this is hard work.

1v13 - people must be confuted/admonished/convinced - this is hard work - especially if they are rebellious (ignoring Yahweh's teaching)!

2v1 - Titus is instructed to say things that edify humans in The Lord = to become TCs themselves by imitating Paul like he did JC (1Cor.4v16, 11v1) which means hard work in learning what The Scriptures are to then accurately apply them in word and deed to teach others.

2v3-7 - People are instructed to edify people, - to be living according to Yahweh's Desire - this requires work.

2v8-9 - Controlling oneself is hard work - many people need to go to classes to learn how to behave correctly.

2v10 - People are instructed to be shining examples to The Real Faith - which means thoroughly learning The Scriptures daily - this is work for some people - because they just **do not do it**. They call themselves Christians but have **not** the faintest idea what is in The Bible, nor do

they understand it! It is not their fault – but the responsibility lies directly at the feet of the leaders stating the reasoning given at the beginning of this piece!

2v12 – Training ourselves to be godly and to reject the self-indulgent lusts of The World is hard work – because virtually no-one does that – so it must be a difficult thing to do!

2v14 – Perhaps best to quote this verse = Who gave himself (= JC) {for the sake}/{on behalf} of us that he (= JC) might ransom/redeem us from violation/lawlessness/transgression, also {to cleanse/purge/purify} to himself (= JCg) {over existing}/{being beyond}/{a special}/peculiar populace/{grouping of people} (1Pet.2v9), (who are) zealous/earnest of the virtuous/valuable/worthy {occupational efforts}/labours/deeds.

Seems that the very best way to show our appreciation for what JC so kindly did for us - is to imitate him – else we become hypocrites to what we claim to know!

This must be very hard work because: Who does precisely imitate JC today? Certainly not our worldly Christian leaders – look on the internet and at the content within their dissident sermons!

2v15 – Perhaps best to quote this verse = Speak these things, also beseech/exhort/urge, also confute/admonish/convince/reprove with every injunction/decreed/authority. Let {no one} depreciate/despise you! All seems like hard work to me – day in and day out!

3v1 – Being subject and yielding to powers/authorities – this must be hard work for some people – because they want to demonstrate in the streets against authority, they also go out on strikes – often headed up by leaders of “Religion”! But this is all contrary to what Yahweh is instructing us through one of His premier apostles!

3v3-4 – Involves character reform which is hard work – especially when very many people are unable to carry out this reform, and within this grouping very many self-claim to represent Yahweh!

And after that lightening tour of Titus, then we arrive at this verse that worldly Christian leaders seem to mess-up by quoting it out of context – being the context that I have just placed this verse within!

This is not atypical of what The Epistles Teach – so who is being “Economical with The Truth”? To quote an ‘English Politician’!

I would think the absolute vast majority of Christians have not the faintest idea what is in The Epistle written to Titus being these important set of instructions on how to become a TC to fulfil Yahweh’s Desire (see 3v8 in context)!

So why not?

And it is for this reason that our worldly Christian leaders will be severely reprimanded upon their resurrection into The Millennium (Luke.12v46-48), where The First/Most (with God’s Word – and/or within society) shall become The Last/Least (in God’s Word and/or society) – where, by this allegory so kindly given by JC for our warning, those persons in Chorazin having The Word of God amongst them will be more disadvantaged in The Millennium than will the persons of Sodom and Gomorrah who had no Word of God amongst them (Matt.11v21, Luke.10v13) – as I explain precisely elsewhere – please see my local commentaries.

This is not a vendetta (or a ‘witch hunt’) – but merely I am trying to give a trumpet call to wake people up from their slumbers and start fulfilling Yahweh’s Desire which is to imitate JC’s ministry/lifestyle by carefully explaining The Word of God to The World – so that all persons understand what it means and then be in the position to personally act upon it!

Thus it requires work to:-

1. Use our time reading an accurate source of God’s Word (not the NIV – it is utterly useless for analytical work).
2. Use our time to understand The Word of God from an accurate source (else we will be immediately disadvantaged in obtaining Real Faith).
3. Reform/Readjust our spirit/personality/desires/traits to become the one/same as Yahweh’s spirit/personality/desires/traits which is pure/{separate from this world of sin} (= the HS).
4. Then we are to go out and show Yahweh and JCg that we truly appreciate everything that They have done for us at a personal level being the gifts/favours/benefits given. We do this by imitating JC’s ministry/lifestyle at all times we are able during the 1st part of our physical life.
5. By imitating JC’s ministry/lifestyle then we are accurately teaching The Word of God (= more ‘work’) – being what it means for other people – so that they are to ideally become like us – as: the next generation of TCs.
6. In this manner we have personally fulfilled Yahweh’s Desire and shown true agapao{edifying love} towards our fellow neighbour.
7. If we have applied ourselves to the very best of our ability (and only Yahweh can decide) then perhaps as a 5 or 2 talent steward, Yahweh might choose to elect us as His personal son of God to stand alongside 143998 other TCs.

This is The Real Gospel of 1st Century Christianity that Yahweh desires to be taught – but worldly Christian leaders abdicate this responsibility by choosing all manner of things sourced by The World first - for which they shall be truly chastised in The Millennium – being stripped of their responsibility to teach The Resurrected World (Matt.21v40-41, Luke.20.15-16) and be severely chastised (Luke.12v46-48).

That has quickly answered the first section (because I could expand so much more if required – by quoting so much more of The Bible to support what I state) - please see my future “Concordance of Topics”!

Now the 2nd part which is much easier to explain.

I must answer the question:-

Why are our worldly Christian leaders’ shenanigans destroying God’s Word that leads to Human Salvation.

As I state elsewhere (“Yahweh’s Desire” and “Satan’s Desire” as explained in the glossary) Yahweh Desires The Mystery of The Bible (being The Mystery of God) fulfilled (Rev.10v7) at the sounding of the 7th trumpet (of completion/perfection) which as this website explains is:-

When Yahweh has His full quota of 144000 TCs – they shall become like their creator god JCg through the action of (1) JC as The Word of God making the perfect transformation within their mind – for the HS to be operating within, and then after this, (2) Yahweh’s capability expressed as the HS for the now perfected spirit/personality/desires/traits (at one with JC and Yahweh – John.14v20, 17v21-26) to be placed within incorruptible heavenly/celestial bodies (1Thes.4v13-18). At this point in time then Yahweh can move to the next stage of His Plan being The Onset of The Millennium – where all the dead humans might be resurrected into the 2nd part of their physical life to learn righteousness.

But this can only occur when Yahweh has His 144000 TCs (having proven themselves to The World during the 1st part of their physical life).

Sadly our worldly Christian leaders instead of giving wholesome food, they skim the milk right down so that it is like ‘white water’. By doing this they are not TCs themselves (because they are not imitating Paul like he imitated JC (1Cor.4v16, 11v1) and equally the congregational members have not the faintest idea that they should be imitating Paul as he imitated JC).

So our worldly Christian leaders by following the self-indulgences of The World are actually complicit in delaying the onset of The Millennium and equally therefore they are fulfilling Satan’s desire – because he most certainly does not what The Millennium to occur which shall lead to his impending confinement (Rev.20v1-3)!

Can the reader understand this inductive logic – being purely what The Bible tells us!

But the responsibility falls upon our shoulders if we are able to understand this.

Yahweh is looking towards US to carry The Baton forward in His Name/Character/Authority to become a possible future TC!

Now let me now wrap-up what Paul is telling us:

We are not saved upon our works, but Paul is giving all due acknowledgement to JCg – that it was to JC who enabled The Curse of Satan to be removed from us (being The 1st Death that would have been one of annihilation) - and because of this fact, Paul proclaims that he wants to precisely imitate JC in due recognition of what JCg has done – this is real praise/worship.

An aside : - Real Worship is not “dancing in the isles” – as I heard one lady preacher tell us on the radio today – she, like many others, has ‘completely lost the plot’ being The Understanding of The Scriptures – where she and possibly billions of others have personally taken on-board the wisdom of The World! By rejecting Yahweh’s Methodology!
However our works (divided as precisely described in 1Cor.15v35-55) are to imitate:-

1. JC’s ministry/lifestyle during the 1st part of our physical life might just lead to sonship (which gives guaranteed everlasting life within a heavenly/spiritual/celestial body – as given to JCg created by Yahweh).
2. JC’s lifestyle during the 2nd part of our physical life will lead to everlasting life in a perfected DNA fleshly body (as originally created by JCg as ‘the specific god’ [“ho theos”] of us using his Father’s HS).

But from (1) as a recognised by Yahweh the person to be a TC, then the TC can look to their adopting Father (Yahweh) and call out: “Abba” knowing that He will hear and save the TC from The World by providing a route to safety (1Cor.10v13). And upon awakening/rousing at JCg’s 1st 2nd C then the TC shall have guaranteed everlasting life and thus blessed by being saved from The 2nd Death of annihilation (Rev.2v11, 20v6).
Why?

Because item (1) was fulfilled as we are told here:-

“through reason of the Baptism/washing of {generation anew}/{spiritual renovation}/regeneration, also renovation/renewing of the spirit/personality/desires/traits holy/pure/blameless/{separate from this world of sin} (= the HS).”

It was as I stated earlier – the TC accepted what JC did for him/her and through recognition of what JC did, then the TC truly worships Yahweh by imitating Yahweh’s Premier Son of God = JCg, and thus becomes at one/same spirit/personality/desires/traits as JCg, who likewise was/is at one/same spirit/personality/desires/traits as Yahweh.

Thus the TC is washed at baptism from the 1st part of his spiritual life (noting the repatee at John.13.6-10 being the hidden allegory – see my local commentary), and then came the conception with Yahweh’s Word (being JC as The Word of God, Rev.19v13) as the spiritual RNA equivalent within the mind becomes the seed upon which our synapse construction might conform to The Word of God RNA to produce the DNA of a new spiritual being growing within the metaphoric womb of the 1st part of our life. We thus have JC’s presence/parousia operating within us to yield the HS in us. Where Yahweh operates the HS outside to complement what is operating within us (noting be contrast James.1v6-8). But we have not yet become “Born Again” – because it might lead to a ‘still birth’ = born dead = “annihilation” for charlatan Christian leaders. See “Born Again” in glossary.

Can the reader see the virtuous circle leading to salvation?

Absolutely none of this is taught by our worldly Christian leaders in their very worldly sermons - because they presently understand none of it! As I stated earlier – I could write a small book on this single verse – but I have kept it as short as possible – but able to expand as required if I have questioners write in by email.

Titus 3v6 og {Of whom/which} (he) {poured forth}/{gushed out}/{run greedily}/{shed (abroad/forth)}

Titus 3v6 og over/upon/concerning us/our/we (of the) copiously/abundantly/richly through (reason of)

Titus 3v6 og (of the) Jesus (of the) Christ/Messiah/Anointed of the deliverer/saviour {of/from us},

Titus 3v6 = {Of which} He (= Yahweh) copiously/abundantly {poured forth}/{shed abroad}

over/upon us (= TCs) through reason of the Jesus of the Christ/Anointed our deliverer/saviour,

As this website states throughout, it is Yahweh who sources the HS through JCg upon all those persons who fulfil His Desire. But we can only achieve having the HS if we wholly imbue/inculcate The Word of God (= precisely imitate JC’s ministry/lifestyle). And further, those persons who fulfil Yahweh’s Desire are precisely imitating JC’s ministry just as did Paul and the subsequent TCs which is to accurately spread The Word of God throughout The World and then The End of The Gospel Age will come (Matt24v14). Nowhere does The Bible state we are able to use Yahweh’s HS in a self-indulgent manner (but several examples teaching directly against it) but in a sane/reasoning mind to edify other persons (often by attracting in Atheists through reasoned argument and wholesome deeds) to become TCs (new wine in new wine skins – Luke.5v37-39) so that they too might accurately teach The Word of God to The World. This reasoning as we are told by The Bible destroys the self-indulgent pretence of the HS being used in Pentecostal and Charismatic gatherings (that make Yahweh seem a laughing stock amongst those persons of sane mind 1Cor.14v23) which reminds me so much of Matt.24v23-25, Mark.13v21-23 (based upon what the Galatians thought of Paul when he first taught them Gal.4v14).

Thus it was through JC’s gift of The Ransom Sacrifice, The Ministry and finally ‘the knocking on The Door’ (Rev.3v20) that enabled Yahweh to righteously make contact with what would have been ultimately a failed species into self-annihilation (perhaps mid 21st Century).

JCg makes his presence/parousia within The Brethren (Christians) actively working upon The Word of God within, thereby aiming to become TCs, who then become like the 5 and 2 talent stewards working to fulfil their adopting Father’s Desire.

At which point we enter the next verse in context:-

Titus 3v7 og that {rendered righteous/innocent/justified} to the (= with) (of the) {that one}/those

Titus 3v7 og grace/{gifts/favour}/gratitude/benefit, inheritors/{possessors by apportion}/{sharers by lot}

Titus 3v7 og (we might) {become to be} down/accordingly/intensely/against (the) anticipation/expectancy/confidence

Titus 3v7 og (of the) life/existence perpetual/eternal/everlasting.

Titus 3v7 = that {rendered righteous/justified} with that one (= JC’s ransom sacrifice and ministry) gifts/favour/benefit,

(we (= TCs) might {become to be} inheritors/{possessors by apportion}/{sharers by lot} (= as sons of God over The Resurrected World) according to the anticipation/expectancy/confidence of the (guaranteed) everlasting life. (As that given to JCg The First of First fruits)

So from the previous verse we understand that two things have occurred.

1. Yahweh is now showering gifts/favours/benefits upon the TCs within The Environment and upon themselves to make them more efficient in The Ministry work to accurately teach The Word of God to The World.
2. It was through JC that (1) has become possible.

Thus from (2) in the previous verse, then Paul here in this verse makes more of what JC has done for us so that we, who precisely imitate him become like him upon our awakening/rousing/resuscitation at The 1st Resurrection when JCg comes at his 1st 2nd C to collect us as “deemed entirely worthy” by Yahweh (being the point of item [1] in the above listing).

This will only occur if we precisely imitate JC and do not make Yahweh’s Word appear stupid by what we say and do!

- Which is sadly the pandemic problem we have in worldly and worse, charlatan Christianity – where common-sense of a sane mind seems to have flown out of the window to be replaced with mystery, weak ‘teaching’ (if that is what it can be called) and rampant deception!

It is by precisely imitating JC - that no human in The Millennium can have ‘cause to state’: It was a TC (then to be a son of God as king/priest) who misled them with deviant teaching during the 1st part of their physical life and thus ‘have no right’ to be elected as a son of God.

Therefore this reasoning alone shows that worldly (and worse, charlatan) Christian leaders cannot become the future Sons of God – else this future charge could be accurately levelled at them!

But as we read here, it is the persons precisely like Paul and Titus (apostles/TCs) being some 144000 of them throughout The Gospel Age who might (depending upon Yahweh’s Special/Greater [1st] Judgement) become inheritors (see glossary). This is the completeness/perfection of The Promise given all the way back to Abraham which was only partially fulfilled by allegory with the fleshly 1st Epoch Israel (see “What does Israel really mean?”). By becoming an “inheritor” as future Sons of God (being kings/priests 2Tim.3v4-8, 1Pet.5v4, Rev.1v6, etc) then we (accepted by Yahweh as TCs) shall have guaranteed everlasting life by being resurrected not in a potentially corruptible (though perfected DNA fleshly body) but within a heavenly/spiritual/celestial body being the creation of Yahweh to match the perfected spirit/personality/desires/traits (within the TC made-so during

the 1st part of their physical life) equally sourced by Yahweh (as The Word of God via JC as His mouthpiece/{The Chief Angel}) . Where the body is dependant upon what the Christian did during the 1st part of their physical life as Paul teaches us in 1Cor.15v35-55 (as confirmed at Gal.6v7).

Titus 3v8 og Trustful/Believe/Faithful/Sure/True (is) the word/sayings/topics/reasoning;
Titus 3v8 og also concerning/about {of (from or concerning) this (person or thing)}/{these (things)}
Titus 3v8 og (I) {be willing/disposed}/minded/intend/purpose thee/thy/thou
Titus 3v8 og (to be) {confirm thoroughly (by words)}/{asseverate}/{affirm constantly} (middle voice),
Titus 3v8 og that (they may) {exercise thought}/{be anxious/careful} (of the) beautiful/virtuous/good/valuable/worthy
Titus 3v8 og (of the) {occupational efforts}/{doings/works/labours/deeds
Titus 3v8 og (to) {stand before}/{take the lead}/preside/maintain (middle voice)
Titus 3v8 og the (ones = persons = Brethren aiming to become TCs) (having) committed/believed/entrusted to the (= in) God.
Titus 3v8 og These (things) are the (things) beautiful/virtuous/good/valuable/worthy
Titus 3v8 og also (the) helpful/serviceable/advantages/profitable (plural) to the men.
Titus 3v8 = Trustworthy/Faithful/Sure/True is the word/sayings/reasoning; (= as that sourced by Yahweh through JC)
also concerning/about these things (= being 1st Century Christianity giving us The Expectation of sonship in The Millennium)
I (Paul) intend/purpose (singularly) you (Titus) (and thus not just 'any' person calling themselves "Christian")
to be personally {confirming thoroughly}/{constantly affirming} (= by words/deeds in the ministry work of imitating JC)
that they (= the recipients of Titus' teaching) having committed/entrusted in the God (Yahweh) (= by becoming true believers)
might {exercise thought}/{be careful} to {stand before}/maintain
virtuous/valuable/worthy {occupational efforts}/labours/deeds. (= So that they may learn from Titus' works)
These things are the beautiful/virtuous/valuable things (= being to edify our neighbour upon The Word of God, accurately taught)
also the helpful/advantageous/profitable to the men. (= That they too could become future sons of God – and bring on The Millennium)

Paul states:

"The Word of God is faithful/sure/true" - being that we can rely upon it to hold us through our existence (= while we have a soul).
Thus because of this, Paul then exhorts Titus (who is becoming a TC) to keep teaching The Real Gospel of 1st Century Christianity as outlined in Titus which this website so very carefully explains never taught today (true up to 2007 CE). But because The End Times of The Gospel Age are drawing to a close then Yahweh is making this complete knowledge known to The World, so that as The World implodes, then its members absolutely know there is a wonderful future of salvation which will extract them out of the present disastrous mess.

Which sadly must occur because of those persons who could be labelled 'die-hards' within humanity who keep stating:

"We do not need Yahweh, just give mankind enough time to sort out the problems!"

To which we humans operating under the present methodology (Eph.2v2) of self-indulgence cannot – but we can only survive as a species operating under Yahweh's methodology as given to us by JC operating as The Wisdom of God – as The Millennium will demonstrate.

Thus it is the responsibility for those presently within worldly Christianity to imbue This New Wine, being merely The Wine that JC and his apostles taught during his/their ministry, lost in The 2nd Century CE and finally ferociously stamped upon in 325 CE at Nicea – being the affirmation of worldly Christianity!

Obviously by maintaining The Word of God within our minds which nurtures our new being/entity as the 2nd part of our spiritual life then we are to actively keep teaching The Whole Gospel so that those persons who follow behind us might understand the full responsibilities to produce virtuous/valuable/worthy {occupational efforts}/labours/deeds to yield new TCs who might themselves offer real praise/worship to Yahweh by precisely imitating JC's ministry/lifestyle.

As an aside:

It is interesting how Paul starts this verse:

Faithful/True/Sure is The Word of God, but equally it could be read that Paul means the following words of The Verse are also faithful/true/sure.

And what are they?

"I intend you to be constantly personally affirming concerning these things so that the persons might be committed/entrusting in God to be carefully maintaining virtuous/valuable/worthy {occupational efforts}/labours/deeds.

So what does it tell us about what was occurring for Paul to introduce this important message by "Faithful/True/Sure is this word"?

It would seem to me that scurrilous people of his day were stating:

"You do not need to put in {occupation effort}/labour/deeds to be saved!" (In the context of the last words of the previous verse)!

And thus Paul was writing these words of assurance to nullify what must have been a falsehood springing up in his day.

Interestingly that is precisely the same falsehood our worldly Christian leaders give today to their congregations!

So what has changed over the last 1950 years?

Worldly Christian doctrine is just as deviant as it was then, creeping in to cover God's Word given by JC and fully supported by the 1st century TCs – so we are able to reason 'Gnostic' teaching then, was as it is now! Hence the need for this website to uncover The Absolute Truth!

Titus 3v9 og (the) dull/stupid/heedless/blockhead/absurd (plural) and (the) searchings/disputes/questionings

Titus 3v9 og also (the) {tracing generations}/genealogies

Titus 3v9 og also (the) quarrels/wranglings/contentions/debates/strifes/variances/arguments

Titus 3v9 og also (the) {to battle}/controversies/fightings/strivings

Titus 3v9 og {according (or pertaining) to the law}/{expert in (religious) law}/{about the law}/lawyer

Titus 3v9 og (you) {to stand (all) around}/{to be a bystander}/{to keep away from}/shun (middle voice),

Titus 3v9 og {they are/be} for (the) useless/inutility/unprofitable (plural) also (the) empty/profitless/vanity (plural).

Titus 3v9 = And you personally {keep away from}/shun/avoid the dull/stupid/heedless/absurd disputes/questionings,

also the {tracing generations}/genealogies,

also the wrangling/debates/variances,

also the battlings/controversies/strivings {according to The Law},

for {they are} the useless/unprofitable, also empty/vanity/worthless.

So this occurred then, throughout The Gospel Age and even more so today where we have all manner of media debates by those persons so keen to give public airing of their worldly wisdom which has absolutely no foundation in what The Bible teaches us – but falsely claimed to be Bible sourced!

And those persons listening have utterly no accurate knowledge of The Bible and thus blithely accept what is being stated – while I am 'simmering with righteous indignation' that people who claim to represent Yahweh come out with so much errant doctrine unchallenged!

See also commentaries at 2Tim.2v16, 23.

So as Paul warns us – we must avoid these debates where the protagonists have absolutely no intention of changing their views, – thus having closed their ears to sound (wholesome) exegesis, which in truth could never be given because of the time required to present the inductive analysis based upon accurate biblical quotation (within context) to give the firm rock base (Matt.7v24-25)

So Paul concludes:

It is all empty/vanity/worthless because those persons involved are not desirous to discover The Truth, because if they were truly interested in The Absolute Truth then they would carefully research off 'air' and quietly talk it over with one other individual until everything has been explored to validate the final conclusion.

Thus we realise these debates are for The Media Circus to pamper self-indulgence and waste both the debaters' time and the time of those many thousands watching/listening! However this is all 'much more fun' for the participants involved, than (1) gaining accurate knowledge from The Bible by first reading it a few times, and then (2) going out into The Market Places and accurately teaching as a one to one (for no worldly) – as we are instructed to do!

And to be in the position to accurately teach means:-

1. Thoroughly learning God's Word (which takes much dedicated time and effort).
2. Then to understand God's Word in The Most Righteous manner (thus throw away old worldly Christian doctrine which has become like The doctrine of The Pharisees in the day of JC's ministry having similar gestation time of some 2000 years [typically] to become most deviant to fulfilling Yahweh's Desire!)
3. Finally to have The Desire/Motivation/Drive/Passion/Zeal to reproduce God's Word both in words and deed with fidelity, freely given as charity (no strings attached), to The World so that humans might become edified to know why/how to personally fulfil Yahweh's Desire.

None of this is taught by our worldly Christian leaders and thus Yahweh cannot deem them to be TCs because they are not imitating Paul's exhortations!

Just for the record!

I need to occasionally state: This condemnation is not applicable to all Christian Leaders, but it is imperative for The Reader to know and understand The Bible to be competently placed to give an accurate audit of what their Christian leader teaches by both word and deed!

With my knowledge I can fairly accurately place any Christian leader throughout the Gaussian distribution of competence within a couple of sentences of their speaking – perhaps more quickly from their deportment before they even open their mouth!

Titus 3v10 og (The) schismatic/heretic/division (the) man amid/together/with/after (with accusative or "infinitive")

Titus 3v10 og first/certain/one also (the) {second (in time/place/rank)}/afterward/again/2nd

Titus 3v10 og (the) {calling attention}/{mild rebuke/warning}/admonition

Titus 3v10 og (you) {to beg off}/deprecate/decline/shun/avoid/reject/refuse (middle voice);

Titus 3v10 = The man of schism/division/sects (= our worldly Christian leaders in their 42,000 schisms at 2014 CE)

with one also the second {mild rebuke}/admonition (then) you personally shun/avoid/reject,

Clearly a person who has deviant reasoning to The Absolute Truth as given in 1st Century Christianity to yield The Real Faith (often, because there is a worldly cause behind this deviant reasoning to source some manner of self-indulgence) must be corrected else a schism will be generated (just as people were trying to create between Paul and Apollos ref 1 Cor. 3v3-9). Clearly this must be done correctly and not just given a - No!

But rather the TC being very knowledgeable in The Scriptures would be able to teach through the deviancy, to clear the hazy reasoning within the recipient.

There are a number of possibilities:-

The recipient might not listen and over-talk the TC – which means the recipient has no interest in The Word of God, having no humility with which to listen to The Knowledge and to imbue it.

The recipient might be a "Yes man" who says "Yes"; but then slyly continues his disruptive machinations for some form of worldly gain.

In both instances this disruptive person must be removed because they will create divisions within those persons who are trying to hold onto The Real Faith (that ultimately unchecked, will cause the some 37,000 worldly schisms we witness in The World today 2005 CE – growing at perhaps two a day)!

Ideally, the recipient will have their reasoning carefully straightened through this one to one discussion over God's Word and realise from the copious scripture references (as given by an accurate translation of The Original Word) to support what the TC was originally stating.

Titus 3v11 og (the) knowing/understanding/{being aware}/seeing/perceiving because

Titus 3v11 og (has been) {from/out of turning/twisting}/perverted/subverted the (one = person)

Titus 3v11 og {truly this}/{of this sort}/like/{such ones},

Titus 3v11 og also (he/she) {misses the mark}/errs/sins/offends/trespasses, being/have (the) {self-condemned}.

Titus 3v11 = because the knowing/understanding {truly this} person has been {from of turning}/perverted/subverted, also he/she {misses the mark}/sins/trespasses, being the {self condemned}.

The point Paul is making would be this person desires not to imbue the Word of God within them and is finding excuses why not to believe!

They find excuses not to really believe - because it is too hard for them to reform their synapse so that they might fulfil Yahweh's Desire.

Making a home within The World is far more desirable, than living like Abraham as a sojourner in The Land that will ultimately become The Inheritance for the 3rd Epoch Israel in The Millennium.

Thus they freely condemn themselves as not desiring Sonship to Yahweh (being the fulfilment of Yahweh's present desire – hence missing The Mark), because they have no vista within the mind's eye for The Millennium operating under Yahweh's Methodology (that is to start within them).

John speaks about these persons (1 John. 2v18, 4v1-3, etc) forming The Body of The Antichrist being those persons of whom JC speaks at Mattv 24v23-26, Mark. 13v21-23) and Paul speaks at 2 Cor. 11v13-15 – of whom I recognise as being the 'millions(?)' of charlatan Christian leaders who have The Pretence of loving God to be collecting the money from the deluded devotees – but like Judas, they do not believe (John. 6v64, 13v11) because like Judas, they sequester the donations (John. 12v6) given today, by their millions upon millions of deluded devotees.

This is what The World faces at The Close if The Gospel Age.

Titus 3v12 og whenever/{inasmuch as}/{as long as} (I shall) dispatch/send/bestow Artemas

Titus 3v12 og toward/nearness/{accession to} thee/thy/thou/you or/than/either/rather Tychicus,

Titus 3v12 og (to the) {winter near}/{stay over winter}.

Titus 3v12 = Whenever I shall dispatch/send Artemas towards you or Tychicus, {make effort}/diligently/endeavour to personally appear/come to me in Nicopolis, for there I have {mentally decided}/concluded to {stay over winter}.

Nicopolis was a town on the western coast halfway up Grecian peninsula and Paul was trying to plan to meet Titus there.

Titus 3v13 og Zenas the {according (or pertaining) to the law}/{expert in (religious) law}/{about the law}/lawyer

Titus 3v13 og also Apollos earnestly/promptly/diligently/instantly

Titus 3v13 og (you) {send forward}/escort/aid/accompany/{conduct forth},

Titus 3v13 og that {not even one}/{no one}/none {to them} (be) leaving/failing/absent/destitute/lacking.

Titus 3v13 = Earnestly/Promptly you {send forward}/aid/accompany Zenas the lawyer also Apollos (on their journey), that {to them} {not even one} be failing/destitute/lacking.

Thus Paul urges Titus to assist Zenas and Apollos in their missionary work either spiritually or through material aid with his contacts having been set up in Crete (Titus.1v5). Apollos was an educated Jew who became a TC because of Paul's ministry, and thus there was great affinity to Paul who was from a High Class Pharisee family equally educated in The Tanakh which created a closely knit union of Real Faith in The Ministry (Acts.18v24, 19v1).

Titus 3v14 og *(they to be)* learning/understanding and

{to stand before}/preside/maintain virtuous/valuable/worthy {occupational efforts}/labours/deeds,

that they might not be barren/unfruitful.

Paul is urging Titus to pass on the message to The Brethren that the TCs who are in the front line of the ministry work require 'behind the scenes' support to ensure they are fruitful in spreading The Word of God to new people.

So as we are told in 1Cor.3v3-6 that Paul and Apollos sow and water between them The Seed of The Word of God – but they equally need fleshly sustenance to keep Paul and Apollos alive in their ministry work. And in this instance Apollos requires the assistance.

Titus 3v15 og {Enfold in the arms}/Embrace/Salute/Greet thee/thy/thou the *(ones = persons)* amid/together/with

Titus 3v15 og {of me}/mine all/whole/every *(persons)*.

Titus 3v15 og {Enfold in the arms}/Embrace/Salute/Greet the *(ones = persons)*

Titus 3v15 og *(of the)* all/whole/every *(persons)* *(of the)* you. Amen/Trustworthy/Surely/{So be it}.

Titus 3v15 = Greeting you *(are)* all the persons together/with me.

Greet the persons {being friends}/loving us within the faith/{knowledge/assurance/fidelity}.

The gifts/favour/benefit be together/with all of you. Amen.

Then Paul ends as he usually does: Asks for Yahweh to use His capability to give gifts/favour/benefit upon Titus through JCg's presence within Titus.
